In the case of a public emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, safety or property of the inhabitants of the Town of Farmington require immediate action which cannot await the obtaining of quotes, or in the case when the Town Board determines that an emergency exists relative to an unsafe building in accordance with Chapter 65, Unsafe Buildings, of the Code of the Town of Farmington, contracts for public work or the purchase of supplies, material or equipment may be let by either the appropriate officer or by the Town Board of the Town of Farmington notwithstanding the purchasing methods set forth above.

BID GUIDELINES

Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract. Once that determination is made, a determination will be made to determine whether the item of

supply of service is subject to competitive bidding, taking into account past purchases. The following items are not subject to competitive bidding pursuant to Section 103 of the General Municipal Law: purchase contracts under

\$20,000.00 and public works contracts under \$35,000.00; emergency purchases; goods purchased from agencies for the blind or severely handicapped pursuant to Section 175-b of the State Finance Law; goods purchased from correctional institutions pursuant to Section 186 of the Correction Law; purchases under State contracts pursuant to Section 104 of the General Municipal Law; purchases under County contracts pursuant to Section 103 (3) of the General Municipal Law; and surplus and second-hand purchases from another governmental entity, and professional services or services requiring special or technical skill, training, or expertise.

In the case of a public emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, health, safety or property of the inhabitants of the Town of Farmington, require immediate action which cannot await competitive bidding, or in the case when the Town Board determines that an emergency exists relative to an unsafe building in accordance with Chapter 65, Unsafe Buildings, of the Code of the Town of Farmington, contracts for public work or the purchase of supplies, material or equipment may be approved by the Supervisor or Deputy Supervisor when contacted by the Department Head, notwithstanding the bid guidelines set forth in this Policy.

The decision that a purchase is not subject to competitive bidding will be documented in writing by the individual making the purchase. This documentation may include written or verbal quotes from vendors, a memo from the purchaser indicating how the decision was arrived at, a copy of the contract indicating the source which makes the item or service exempt, or any other written documentation that is appropriate.

Pursuant to General Municipal Law Section 104-b (2) (f), the procurement policy may contain circumstances when, or types of procurement for which, in the sole discretion of the governing body, the solicitation of alternative proposals or quotations will not be in the best interest of the municipality. The lowest responsible proposal or quote shall be awarded the purchase or service contract unless the purchaser prepares a written justification providing reasons why it is in the best interest of the town and its taxpayers to make an award to another other than the low bidder. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement.

A good faith effort shall be made to obtain the required number of proposals or quotes. If the purchaser is unable to obtain the required number of proposals or quotes, the purchaser shall document the attempt made at obtaining the proposals.

All purchase contracts exceeding \$20,000.00 and all public works contracts exceeding \$35,000 for all departments shall be put out to bid according to the following procedures:

1. A resolution should be presented to the Town Board authorizing the Department Head to seek bids for specific supplies, materials, or services
2. Once resolution is passed, a legal notice must be published in the local newspaper informing public of the products or services being bid. It will be the responsibility of the Department Head to prepare and submit the legal notice to the Confidential Secretary with an informational copy filed with Town Board correspondence.
3. The Department Head prepares bid packages with detailed specifications and conditions including items bid, units, and total quantity desired, instructions for bidding, delivery information, bid opening date and any special requirements for bidding.
4. Bid notices are sent via mail, fax and e-mail to potential vendors, or can be picked up at the Town Clerk's Office.
5. All sealed bids will be opened at the time and date listed in the resolution at the Town Clerk's Office. Any bids not received prior to the bid-opening deadline will be rejected. Sealed bids are publicly opened and read at the time and place designated in the bid documents and legal notices. All bid tabulations showing bid results are available for public inspection during regular business hours at the Town Clerk's Office upon receipt from the Department Head. The Department Head will provide the Town Clerk with the bid tabulation, as well as the original bid packages, normally within 5 business days after the opening of the bid.

PIGGYBACKING OF PURCHASES

The Town of Farmington may, for purposes of public purchases, utilize the provisions of General Municipal Law §103 with regard to "piggybacking" of purchases. Purchases may be acquired through the bids solicited by the United States government, New York State and/or any other political subdivision including towns, villages, school districts, etc, provided those contracts clearly state that they are available for use by other government entities within the requirements of General Municipal Law §103. Piggyback purchases shall be approved on a case-by-case basis by Town Board Resolution. Prior to Town Board Approval, the Department Head must provide documentation that all items are included as part of the Piggyback contract.

Section 1: Legislative Intent.

New York State General Municipal Law §103 requires competitive bidding for purchase contracts and public works contracts and has historically required that such bids be awarded to the lowest responsible bidder whose bid meets the requirements of the specifications for the project. Section 103 was amended to provide that by enacting a Local Law so providing, towns and other municipalities may award purchase contracts, which would otherwise be subject to the "lowest bidder" rule, on the basis of best value, as defined in the New York State State Finance Law §163, to a responsive and responsible bidder or offerer. The Town Board hereby determines that it is in the best interest of the Town of Farmington and its residents for the Town to have the authority to award purchase contracts on the basis of best value.

Section 2: Best value contracts.

In addition to the other manners of awarding contracts provided in the New York State General Municipal Law section 103 and the Town of Farmington Procurement Policy, the Town of Farmington may award purchase contracts, including contracts for service work, but excluding any purchase contracts necessary for the completion of a public works contract pursuant to Article 8 of the New York State Labor Law, on the basis of best value, as that term is defined in §163 of the New York State State Finance Law, to a responsive and responsible bidder or offer in the manner provided by §103 of the New York State General Municipal Law.

Section 3: Authority

This local law is enacted pursuant to the authority of the Municipal Home Rule Law and the General Municipal Law §103 (1).

Section 4: Severability

If any clause, sentence, paragraph, section or part of this local law or the application thereof to any person, firm or corporation, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part of this local law or in its application to the person, individual, firm or corporation or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

Best Value Contracts adopted by Local Law No 2 of 2014.

CONFLICT OF INTEREST

No Town of Farmington officer or employee will have an interest in any contract with the Town when such employee has the authority or the responsibility to negotiate, prepare, authorize or approve a contract or authorize or approve its payment, audit bills or claims, or appoint an officer or employee who has any of these responsibilities. Any officer or employee who has or acquires an interest in any actual or proposed contract with the Town of Farmington shall publicly disclose the nature of such interest in writing. This written disclosure will be kept on file.

Federally Funded Purchasing Conflict of Interest Statement:

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if there is a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer or agent, or any member of his or her immediate family, partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees or agents can neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. Disciplinary actions will be applied for violations of such standards.

This policy shall be reviewed annually by the Town Board at its Organizational Meeting.
