**RE: Project Status Log – 9-4-2020**

Dear Town of Farmington Planning Board,

Delaware River Solar (“DRS”) is pleased to have the opportunity to bring the benefits of Community Solar to the Town of Farmington. Submitted with this letter are the below updated application materials requested to date for the September 16, 2020 Planning Board meeting:

1. **Revised Decommissioning Plan – Version 6**. Changes include additional detail, and refined cost estimates based on MRB Group comment letter dated July 14, 2020;
2. **Revised Environmental Monitor Statement** based on MRB Group comments;

The application materials listed below will be provided to the Town shortly after MRB Group comments are received, following the Project Review Committee meeting of this morning, September 4, 2020. That submission will include:

3. **Revised Preliminary Site Plan**, as per comments reviewed with Schultz Associates and MRB Group;
4. **Revised Storm Water Pollution Prevention** Plan based on MRB Group comments.

Copies (10) of all materials listed above will be delivered to the Town Hall in advance of the September 10, 2020 4pm deadline for distribution to the Planning Board and Town staff. We thank the Town of Farmington for the thorough review of these projects and look forward to the continued review of the Site Plan, Subdivision, and Special Permit applications.

Sincerely,

-----
