

Nov 8, 2018

Mr. Hemminger,

I attended the meeting last
it and I am against this
Solar Farm. The comments were
and ones and should be taken
to consideration. We don't want
Solar Farm in our area not
w, not ever.

The only people that will benefit
on this project are the Solar Farm
company and the farmer. Not
or our neighbors

Sincerely

Jon R. Fair
