

LET'S WRITE AN AWESOME AND PERSUASIVE

# Opinion Letter

## 1 ) The Greeting

In the Greeting, you address your Audience, the person or people receiving your letter.

Then, introduce your Thesis Statement, which includes the Topic and your Opinion!

Possible Topics include the foods you like or dislike...  
Something you want or want to do... A problem in the world you would like to fix...  
Or a review of a restaurant, video game, or movie!

## 2 ) The Body

In the Body of your letter, you support your Thesis Statement by giving reasons why your opinion is correct. Think of at least 3 different reasons, so that your letter is as persuasive as possible!

## 3 ) The Close

You'll close your letter by repeating the Thesis Statement, singing it and sending it off to the Audience. Hopefully your letter will persuade them!

And when in doubt, remember Ridley Writestuff's motto...

**THINK IT UP, AND  
WRITE IT DOWN!**
