

**Special Recognition Award** - presented to **Bruce P. Prince-Joseph** at the 2012 Annual Holiday Meeting of The Native Sons and Daughters of Greater Kansas City, in recognition of his extraordinary talent and personal commitment to the preservation of Kansas City's musical heritage. His numerous restorations of organs, pianos and a carillon have demonstrated his skillful knowledge and extraordinary dedication to his craft. For over 10 years, he has generously shared his remarkable talent as a renowned 'keyboardist' during the Christmas season much to the delight of the Native Sons and Daughters membership.

**Special Recognition Award** - presented to **Jeffery L. Hon** at the 2012 Annual Holiday Meeting of The Native Sons and Daughters of Greater Kansas City, in recognition of his direction and support to preserve Kansas City's musical heritage. He has helped secure, transport, restore and protect various organs, pianos and a carillon. He has served as chief engineer of the Great Carillon system of 405 bells ensuring their move and official dedication this year in their new home. For over 10 years, he has co-hosted and performed Christmas musical programs for the membership of the Native Sons and Daughters.

**The George E. Hicks Award for Perseverance** – presented to **Herbert F. Ziegler Jr.** at the 2012 Annual Holiday Meeting of The Native Sons and Daughters of Greater Kansas City, in recognition of his persistence and commitment to the ***Daniel Morgan Boone Park and Gravesite project***. He worked diligently for 3 years to bring about the new trail access to the parks hilltop gravesites. It is his devotion to furthering this project that has opened a new path to the Boone story and their significance to the history and development of the Kansas City area. He continues to work with The Parks and Recreation Department on better signage for the Park.
