2015-2016 17 DAYS VOLUNTEER TEACHING PROGRAMS / SAFARI

Napenda Africa Safaris is focused on giving back to the society and has been a big supporter of the African Angels foundation a non-governmental organization that supports under privileged children with education. Napenda Africa Safaris is extending an invitation to you to be part of this philanthropic venture as a teaching volunteer to key African Angels initiative of Makhanga Hope Academy Primary School and Makhanga Hope Academy Secondary Schools.

Napenda Africa Safaris has thus created a package that creates the opportunity to volunteer at the schools followed by an experience and the adventures of an African safari. We have already prepared itineraries but they can be tailor made to your preferences.
