A MEMORIAL DESIGN PRESENTATION
SERIES 1200-1300

*Life is a journey
to be remembered.*

Our lives are important.
Not only to us, but also to our
loved ones, and their children,
and their children's children.

Let us help you create
a memorial that tells your story.
We are experienced in the creation
of appropriate, meaningful memorial
that commemorate life and preserve its
precious memories.

An enduring granite memorial,
rich with symbols of our lives,
our families, our faith, our work,
and our passions, preserves
our heritage for future generations.
