## Glossy's Football Notes

Last Saturday saw our last home game, the theme on Thursday night was to make it 6 from 6 across all grades in netball and football. The goal was achieved for the first time in football/netball club history, a terrific way to finish at home for 2018.

In the football it was the Scoobs that got the day off to a flyer as they continue their run of good form. They played a brand of football that had the crowd involved, running out comfortable victors as they gear up for bigger things in the coming weeks. What a great opportunity we're presented with next week against a fellow finals campaigner. Ironic it could be a glimpse of what we'll see in the Elimination. Winning form is good form so let's bring our A game and take it into week 1 of what promises to be a great finals series.

The Seniors knew the Bombers would bring some heat as their season was on the line. It was a hectic start as they threw everything at us before we were able to play some of our best football for a month. The second quarter into the wind was the turning point, arguably some of our best football for the season. The second half saw the positive signs continue as we look to sharpen up at the pointy end of the season. Like the Scoobs another great test in the Seniors next week against an opponent that's been near the top all year. Play the way we can for 4 quarters and see if we can earn the weeks break.

Thought of the week: A clear conscience is usually the sign of a bad memory!
