## Glossy's Football Notes

To finish the home and away season last Saturday we had a pleasant trip up Peninsula link to Edi Asp to take on the mighty Dales. Yes, Vossy, our supporters found our way there as they have done all year to away games. We're getting a bit sick of you taking swipes at our supporters on the radio when we have no rite of reply. We've been well supported all year and for years, thank you very much, maybe if you got along and had a look you'd see that for yourself. **(Ed. Note** Take that!)

The Scoobs went down in a tight one against a quality opponent, a team we hope we get another crack at some time in the next month. It was a good game that could've gone either way but in the end the Dales were too good.

The Seniors held on in another tight one clinching top spot in the process. We could've buried them in the second, but poor kicking kept them in the game. As we saw first time round with Edi, give them a sniff and they'll keep coming and so they did again.

But next Saturday, though, it's all about the Scoobs who play off in an Elimination final, a good effort in the new Division. We've enjoyed watching the growth in this group over the season, a credit to all players and the coaching staff who have been involved. Today is your chance to start another campaign and see how far we can take it. Through the results you've had, you know you can compete against anyone and the whole club is right behind you. We know you'll have a crack because that's what you've been doing all year. Go out and enjoy the day knowing that win, lose or draw we're proud of you and what you bring.

## Katy's Netball Notes

Final round for 2018 saw every sort of weather & a mixed bag of results against a strong club. Results went our way for A grade & a top 2 spot is ours. D grade have secured a fourth spot on the ladder & a place in the finals. Great work Sharks and a stellar season by all.

A grade – finals bound the team came out to show they are a force to reckoned with. Edi-Asp came out strong & in control, up by 5 going into ¼ time. Their defence was putting on the pressure & their goalers very didn't let many slip. We started to take control with impressive defensive pressure all down the court & turnovers were utilised with fast attacking by the sharks & accuracy by our goalers in particularly windy conditions. We kept the pressure up & got on top of the Eagles for the win in what was an exciting game exhibiting high intensity, teamwork, athleticism & skill by both sides.

In trying conditions, B grade can hold their heads high. It was a tough match up playing top ranked Edi-Asp. As per usual our defensive end were on fire. Although we went down in the finish, our goalers put their best foot forward & created some nice offensive plays with great feeds from mid-court. Overall what a great season B grade have had, finishing 5th on the ladder is something to be very proud with it being our first season as a team & can't wait to see what next year brings!

C Grade had a tough day against a strong Edi-Asp team today. Despite this, they showed commitment and dedication to their systems.

It took time for us to find our rhythm as a team but now we are looking forward to seeing what we can do together next season.

D grade came into a tough game today against top team Edi Asp. The girls started out slow but warmed into a steady game, unfortunately we were unable to come back. The girls moved the ball down the court well, putting into place systems we have been working on. Making the finals is awesome for this fantastic group of players.
