## Glossy's Football Notes

A wonderful start to the finals with the Reserves getting it done against YCW. Again, we had great support, thanks Vossy, with many making their way to Chelsea.

It was a tight tussle for the first half, at half time it was anybody's. The pivotal 3<sup>rd</sup> saw Sorrento take it up a gear playing inspired football. We'd had 2 tight games with YCW through the season (both losses), but the belief was we could get the job done. Early goals in the last to YCW had the supporters nervous but Matty King charging forward to kick the sealer bought the house down. The message after the game was spot on, "enjoy the win but don't get carried away, that's 1 down 3 to go".

Which brings us to next Saturday. The Reserves take on Seaford after their loss, the Seniors Pines after their win. To the Scoobs firstly. The belief gained from last weekend gives us a boost as we attempt to go deeper. We know what it takes, we've just got to bring it. To the seniors who enjoyed the week off, win next Saturday and book your place in the Granny. The prize at the end is worth fighting for you know that so give it everything.

The whole club and community are behind both teams, we know you'll do us proud.

A huge Congrats to the A Grade netballers who booked a Grand Final berth.

Thought of the week: Why do psychics have to ask you for your name!

## **Katy's Netball Notes**

### 1st Semi Final D Grade

What a glorious Sunday morning for the start of our Netball finals campaign. We are super proud of how far our netball program has come through the hard work and dedication of the whole club, committee, coaches, players and supporters. The courts at Mornington were a sea of red and white and the D grade team started off with a bang. The intensity of the game did not let up from the first bounce to the last

Our young gun goalers Lily and Holly were on fire and in tune with each other and were beautifully fed the ball from Narelle Annie and Indi. The defensive pressure put on by Claudia Ebony Meg and Emma was outstanding through the whole game. The first and second quarter led to a single goal between the teams...a fantastic finals game. The premiership quarter saw us with a 3 goal lead. The last quarter was tense and tight with the lead changing numerous times. Unfortunately, the time clock beat our girls with Mornington coming away with a one goal win. D grade you should hold your heads up high, you all played an amazing game and an outstanding season. Sophia, an outstanding coaching season by you. Almost got there. The club is so proud of how far you have come as a team...the skies the limit, set your goals high and come back in 2019 much stronger and up for the challenge of a grand final berth

### A Grade Semi Final

A big thank you to our supporters who were out in force for the 2nd Semi against Edi Asp. Coming into this game we were 1 win each which set up for a cracking game. The girls did not let the crowd down coming out with an intensity not seen before and the hunger and desire to secure a spot in the "big dance". An

absolutely outstanding game with the Sharks getting out to a 2 goal lead at ¼ time and able to sustain that at half time. Alana and Maddi working their magic in the ring with Shelley and Hannah combining like one and feeding the ball to the goalers with devastating accuracy. The defensive pressure by Bree Bec and Kate was phenomenal (Kate on fire after coming off a night shift!!). After half time Dom came into the game in goals with Alana and that injected a bit of height into the ring which Edi Asp found hard to match. The game never lost it intensity and the Shark girls dug deep to come away with a five goal win.

Congratulations to the entire A grade team enjoy the weeks rest. You have booked yourself a spot in the GRAND FINAL, let's get em Sharks.
