Glossy's Football Notes

The Reserves with a number of forced changes from the week before, took on the highly rated Seaford side in a must win to keep alive hopes of finishing top 3. With a strong wind blowing to one end, we had to contain the opposition when kicking into it and make the most of opportunities when kicking with it.

It was a gripping contest for 4 quarters with both sides having there moments on top. We had opportunities in the last with some near misses, in the end Seaford were to good holding on to win by 4 points. Once again while not getting the job done, we walk away knowing we can compete with the best. A big 2 weeks to fine tune for finals and it starts today with our last home game of the season.

The Seniors were well aware it was a danger game with some notable outs and a desperate Seaford at home. Seaford was able to get off to a flyer too with the aid of the breeze and some good footy. The second quarter we were able to wrestle back control and get on top to take the lead at the main break.

The second half was a workman like performance, getting the job done without too many highlights. It was a good win in the end, getting the 4 points while not at the top of our game. Today we take on the Bombers, a team we know well with a recent rivalry in big games. They beat us at their home first time round, today is our chance to return the favour.

Thought of the week: 82.764 % of all statistics are made upon the spot!

Katy's Netball Notes

Thank you to MORGAN'S BEACH SHACK in Sorrento for their wonderful ongoing support as a major sponsor.

With finals firmly in their sight the A grade came out to play & redeem their loss to Seaford in R7. The intensity & pressure in the first quarter was immense. The combination of Shelley, Hannah, Maddi and Alana set up the first half with the defensive end of Bree, Bec & Kate combining as one. We welcomed back Dom to the court in the third quarter in goals with Gemma stepping in at the defensive end & from thereon in there was no stopping the Shark girls. Great team effort & one the players should be proud of a fanatic win and a great lead up into the finals series. Best on Gemma, Hannah & Alana.
Sorrento 44 def Seaford 35

A stellar performance by our defenders today on all counts. They did an exceptional job at turning the game around in the 3rdQ bring the margin back to within 2 goals. Tiahn, yet again working herself nicely around the goals & earned herself a best on ground vote along with Sophie & Rachel. Not the result we could have hoped for going down by 4 however, next week is looking promising when we take on Frankston Bombers at home. Best on Sophie, Tiahn and Rachel.
Sorrento 37 def by Seaford 41

Great team effort from C Grade this week to come away with the win. Astonishing shooting from both Sarah and Liv as well as a strong whole team defence effort got us over the line. Best on Macy, Ruby & Sarah

Katy's Netball Notes (Cont.)

D Grade got off to a flying start with Holly & Annie barely missing a goal. Fed in beautifully to the goaler's and moved down the court by a strong Indi and Narelle. A great team effort, with all girls playing a tip top game. Best on Indy, Holly and Narelle.

News from the
Sorrento F & N Club

Maddie Riewoldt Vision Charity (MRV) Day a great success!!

We are pleased to announce that our inaugural MRV Day was a great success by raising \$15,649 for MRV which was a great effort considering it was a fine but wintery day with a top temperature of only 12 degrees!! It was pleasing to see so many parents and kids turn out to meet our "Stars" Nick and Jack Riewoldt, Fev and Daniel Rioli and to get their MRV caps autographed. At one stage the queue for autographs snaked some 100 metres from the playground right behind the Clubhouse and back again yet our stars managed to satisfy all autograph seekers within an hour and then entertain those lucky enough to be at our President's lunch!!

We would like to especially thank all our Sponsors, Members and supporters who contributed to make the day a great success with special thanks to our "Jumper Sponsors" Peninsula Sotheby's International Realty, Anthony Ring Excavations, Hotel Sorrento,

Maton Guitars, Betta Electrical Appliances, Coastcom, Mercedes Benz Brighton and Anderson Constructions!

Our purple shark jumpers looked great thanks to the generosity of our jumper sponsors. A special thanks also to Rob Curtain of Peninsula Sotheby's International Realty for supplying the advertising boards in Sorrento, Mornington and Melbourne.

See you all on 11th August **at home!**
