Glossy's Football Notes

It was a big build up to two big games at MacFarlane Reserve on the Queen's Birthday Saturday. The Reserves were keen to knock off a team above them on the ladder and the Seniors were keen to win back some pride after the Easter Sunday debacle. The scene was set with another cracking day (what's happened to winter), and a crowd that we normally only see come finals.

YCW got off to a flying start in the Scoobs with a 3 goal first quarter. The next two quarters were even as Sorrento settled and got back in the game. An epic last quarter saw Sorrento surging but not quite doing enough to get the chocolates. YCW were able to hang on in a cracking contest, leaving the locals a little flat. We've got to pick ourselves up, regroup and get back on the winners list as the battle for top 5 tightens.

We were all hoping for a great game in the seniors after the disappointment of round 1. We had Sorrento on top at the halfway mark of the season and YCW snarling after 3 consecutive losses. The game didn't disappoint with both sides flexing their muscles and having their moments where they were on top in the game. It was Sorrento who came out on top this time, proving once again if it bleeds you can kill it.

This week we look forward to the challenge of the Mounties at their home. It'll be another great test in both grades.

Thought of the week: Is a werewolf who doesn't know he's a werewolf an unawarewolf!

Katy's Netball Notes

A hard day's netball played in great spirit by all teams on a gloriously sunny winters day. Our A's took a ¼ to fire up, down by 3 goals. But a lively chat during the break saw them 7 goals up at ½. Intensity was the key in this game, pressure up & down the court was impressive. Hannah took some wild catches even backwards! Bree's intercepts were outstanding. Hard fought game with the girls hitting their straps in the second coming away with a great win. Best on Hannah, Maddi & Bree.

What a game it was for our B's, coming up against YCW was no easy feat however as a team we excelled. An intense, competitive game, where Gemma, Jen & Rachel all played integral roles in defence. Sadly, the score did not reflect our efforts. We walked away with our heads held high knowing it was a hard-fought game. Best on Tayla, Gemma & Chelsea.

A tough game for our Sharks C girls. Frankston YCW put up a strong front in the ¼ & our girls could not overcome their defensive pressure to gain goal conversions. The Sharks came back, coming close to equivalent goal scores for both last quarters. A strong effort by the girls. Best on Meg, Grace and Brooke.

D grade came into the game against an undefeated YCW knowing we had a challenge on our hands. Although we didn't get a win, it was great to see the girls back working as a team. Holly shone in goals, with Indi & Alex again consistent. Best on Holly, Alex & Indi

Fantastic Fundraising Morning Tea by Sarah & Rob McKay

It was a glorious Sunday morning when a team of netballers and footy players headed to Sarah and Rob McKay's beautiful house for a delicious morning tea. We met a whole group of local residents, friends and family. Sarah spoke about her introduction to the netball at Sorrento and how she wants to support young girls and women to stay fit, healthy and supported by playing sport in their local community. Bernie our President spoke about keeping kids away from drug and alcohol and engaged in the community. Shelly O'Donnell spoke about the changes the new coaching and players are making and about the mentoring role she and others can be to the younger players. The guests heard from the girls about the excitement in the netball teams with our amazing new coaches and players. How everyone has been motivated, that everyone is smiling, training hard and playing with strength we haven't had before. We played a few goaling games, enjoyed the sun and a great cup of tea.

The response from those at the morning tea has been nothing short of unbelievable with over \$25,000 donated. The players are over the moon as this will allow us to cement the changes we made this year. We would like to express our heartfelt gratitude for the generous donations made to netball girls. We have officially adopted the amazing Sarah McKay, she is now the SFNC - Patron of Netball. While we may never get her on court, her support from the side lines is the best.
