Coaches Report – SENIORS

Sorrento 7.6.48

Crib Point 5.20.50

The senior team went to Crib Point on the weekend and was soundly beaten. After our best performance last week we put in the exact opposite and didn't really fire a shot.

From the outset we were off and I can't really put a finger on why. We were lucky in a lot of ways that it poured rain in the first quarter as it could have been very ugly at half time. As it was, they had 17 more inside 50s at half time but were only 2 goals in front. We improved a little in the second half but the damage had been done.

Full credit to Crib Point who came with a solid plan and wanted the win more than us.

I found it really hard to find 5 winners on the day but thought that Zac Burns, Grant Johnson, Chris Bagot and Ben McCormack were all good.

Our next two games are at home and we look forward to getting back on the winners list and rediscovering our hunger for the contest.

Goal Kickers: L. Pohlke 2, Z. Byrns 2, M. Dobrowolski, L. Treeby, T. Mattison

Coaches Report – RESERVES

Sorrento 7.7.49

Crib Point 6.7.43

This match against Crib Point in the Reserves was an important game. Both teams heading in were on even premierships points, and we needed an improvement from last week's game. We didn't start the match well and errors in concentration cost us early goals. At quarter time we trailed our

opposition by 13 points. The second term however was a lot more positive, and with our running game starting to come together we slammed on 4.1 to Crib Points 1.1 to take a 5 point lead into half time.

The third quarter was a very even contest. We continued to run the ball better, but below par kicking accuracy cost us. As a result, Crib Point was able to gain back the advantage and take a 2 point lead into three quarter time. Very similar to last week's final quarter effort, the Shark boys threw themselves into the contest and eventually overpowered the opposition to come away with a 6 point victory.

With the win we placed ourselves back into the top 5, but with an even bigger challenge next weekend against Devon Meadows we need to improve our game even further. Best players on the day included Patrick Hall, Marcus Gardner, Matthew Littlejohn and Nat DiConza.

Goal Kickers: P. Hall , J. Falck , B. Russell , B. Pitt , J. Souter , B. Kenyon , L. Soligo

Coaches Report – UNDER 18s

Sorrento 6.11.47

Crib Point 5.7.37

After a fantastic first quarter by the boys we struggled for the rest of the game. We played fast play on precision football kicking 4 goals in the first quarter.

Crib Point dropped a couple back after quarter time and we fell into playing scrappy stagnant football. They tried to rough us up and we had a number of players sucked in and some players worrying about copping a whack.

News from the
Sorrento Football Club

Our disposals into the forward line were rushed, our skills fell apart and we had little run from defence despite having extra numbers.

Due to injuries and promotions we had a couple of first gamers who did well despite limited training.

We will have to improve significantly to be able to compete with Devon Meadows next week.

Best players: William, Danny, Mitch, Tower, Ethan, Nathan and Big Bad Rodway

Goal Kickers: N. Seddon, J. Grant, J. Magee, M. Towers, D. Stephenson, B. Williamson
