Glossy's Football Notes

To the Reserves whose season finished on Preliminary final day. To Dion, all his support staff and the players what a ride you gave us. At times through the year we struggled for numbers and hit all sorts of hurdles. However, as a group there was steady improvement and finals beckoned, considering the promotion into Division 1 a mighty effort. To then win 2 finals proved just how far you'd come and while it's disappointing to bow out on the second last weekend, you can be mighty proud of your achievements, the club certainly is. Make sure we all stick together for next year, get behind the Seniors next Sunday and enjoy a beverage or two in celebration.

To the Seniors who've made the Big One in their first season in Division 1. What a terrific effort by all involved to be in our 10th senior Grand final this century. We've done it the hard way after losing week 1 of the finals but in a funny way maybe that has us better prepared for today's finale. You all know what it takes in the big games and as we've said previously, you rarely disappoint. Next Sunday you run out knowing the whole community is proud of you and 100% behind you. Regardless of the result you can be proud of your efforts and we all know you'll leave no stone unturned in your quest for the holy grail.

Thought of the week: I intend to live forever, so far so good!
