

**NOTE FROM THE EDITOR**

Last week we headed out to Somerville, the ground that ended the Sharks' campaign last year. Coming off the back of a great round against Frankston in which we won all three matches, we went into last week's fixture full of confidence.

The day started pretty well with the Under 19s managing to hold off the Sommy boys who put in a really resilient performance. Despite not hitting the great highs that our young Sharks have reached for most of this year, the boys did enough to get the four points and to maintain their top-two position on the ladder.

The Reserves game looked to be the toughest of the day, with Somerville sitting above us on the ladder and our boys needing to keep their winning streak going to continue clawing their way back into contention. However, the mighty Sharks put in another great performance, outplaying the Sommy boys (particularly in the second quarter) and ended the week back in the top five for the first time since round 4 this year. Great work boys!

The Somerville Seniors have had a pretty underwhelming season so far this year, unable to recapture the form that took them into the Granny last year. With that in mind, the Sharks supporters were pretty confident of getting another three wins as the final game of the day got underway. Unfortunately, that wasn't to be the case as our boys put in a very lacklustre performance and were overcome by the Sommy boys who appeared to have significantly more desire and desperation than the Sharks.

The Seniors have dropped a number of very-winnable matches this year which is really disappointing and may cost us dearly towards the

end of the season. It's hard to put your finger on the cause of the poor performances because we clearly have the talent to match it with the best, but have just lacked consistency. Let's hope the boys get back on track this week!

On a much more positive note, club legend Brent "Stix" Kenyon achieved an amazing milestone on the weekend as he equalled Bernie Lynch's long-standing Senior games record when he pulled on the Sharks jumper for the 262nd time in the Seniors. It is a fantastic achievement by Stix and it also highlights the amazing career Bern had "back in the good ol' days". It's also great to see both Stix and Bernie still contributing in a big way around the club. Look out for a "Stix-special" Sharkbites when he breaks the record.

As for the netballers, the girls were unfortunately unable to match their great performance last week and suffered pretty heavy losses in all three divisions. It was a disappointing day for the girls, but no doubt they've been working hard at training this week and will be looking forward to putting in a much better performance this week.

This round we are back at Shark Park to take on Dromana who we have had many a great battle with over the years. While the Tigers haven't been exactly flying this year, neither are we at present, and there's always a bit of extra fire in the belly when these two teams meet – no matter where they are on the ladder.

It's another big challenge for the Sharks and one that we must stand up in if we want to give ourselves a chance towards the end of the year. Look forward to seeing you there.

Go Sharks!

Julian

Round 12, 2016

SENIORS

Round 12

Somerville (19.14-128) v Sorrento (15.6-96)

Unaccountable, Bullied, Disappointing, Exposed, Soft, Selfish - These are words described by people who witnessed last week's game. Hard to argue with them.

BRING ON SATURDAY.

Nick

RESERVES

Round 12

Somerville (7.7-49) v Sorrento (11.12-78)

Another 'Team First' effort by the Urban Tones two's side saw us get the chocolates against Somerville. Three straight wins against teams who were above us on the ladder has seen us sneak into the five.

Plenty of work left to do with four quality teams to play and we need to win them all to play finals.

The side has worked hard over the last month on and off the track and the feeling around the group is very positive. Saturday's game was won in the second quarter where we turned around a 3-point deficit into a 23-point lead. The second half was fairly even but the victory was comfortable in the end. A 29-point victory away from home was super pleasing and all involved were very happy.

A very even spread of good players meant giving the awards were tricky. Plugger took the sponsors award with another great display and the helmet looked awesome. Big Locky was again impressive with some big contested grabs around the ground.

Nick Muller was in everything and will be pushing for a senior gig in the weeks to come.

Down back Patto and Hammo formed a great last line. Big Heath Cameron was dominant at centre half back. Jake Main and Jimmy Peart were strong contributors up forward. Boggy showed his class with some clean possessions and polished finishing.

All together a really good team effort. This week is our last home game for the season against old rival Dromana. A win is a must to keep our finals hopes alive.

Congratulations to Sticksy Kenyon on equalling Bernie Lynch's long standing senior games tally of 262. Both are premierships players, life members and bloody good blokes.

Cheers Flip

UNDER 19'S

NETBALL REPORT

Round 11

Somerville (6.7-43) v Sorrento (12.8-80)

No report provided.

This week was another tough one for our C Grade girls against Somerville but they really tried to focus on not dropping their heads despite what the scoreboard showed. The game was very clean from Somerville and we unfortunately couldn't match the skill that they brought. Well done to the girls on a good effort.

Great effort today by the B team against a very tough team. They played one of the better games as a team for the season and really smashed it in the third quarter with awesome teamwork. The final score did not reflect the effort you all put in. Great work from Kirra who did some amazing passes into the goal rings and well done to Emma Voight who did not give up during the entire game.

A Grade girls had a very, very tough game against Somerville. Somerville played extremely well, and proved they are a great strong team. They were beaten very early in the match but managed to hold their heads high throughout the whole game. Hopefully next week will bring better results. Thanks to Rattray and Walker, Marlo Spa and Fletchers Real Estate for your support.

Go Sharks!
