

NOTE FROM THE EDITOR

Two weeks ago the Seniors had a great come from behind win against Dromana and we were all hoping that it was a sign the boys had turned the corner and were ready to charge home towards the finals. Sadly, that wasn't to be the case, as we followed up that performance with a disappointing effort against Hastings.

Admittedly, the conditions were terrible in Hastings, but that's no excuse for the way the Sharks played. They say that in wet conditions your game plan goes out the window and it comes down to the team that wants it most. Unfortunately for us, that team was clearly Hastings as our boys didn't appear to have the desire to put in the work needed to get the four points. It was a really disappointing result and one that leaves us needing results to go our way if we are to have any chance of continuing beyond the home and away season.

As for the Reserves and Under 19s, both teams have continued their great run of form and won both their matches in the last two weeks. The Under 19s had an absolutely thumping win against Dromana and, after a slow start, come home strong in the second half against Hastings to have a comfortable win in the trying conditions. The boys have now regained top spot from Red Hill on percentage.

After a tough patch through the middle of the

season, the Reserves have now really come together and there looks to be a really positive feeling amongst the group. They currently sit in the top four, but come against the top two sides in the next two weeks. If the boys win those matches, they will have proved they deserve their spot in the finals and will be every chance to go all the way. Let's hope they can do it!

Unfortunately, our netballers had a tough couple of weeks and haven't been able come up with win. However, our under 17s are still sitting in the top two on the ladder and are every chance of taking out the big prize this year. Our other teams continue to impress with their effort and attitude, but let's hope they can turn their hard work into some success in the last couple of weeks.

This week we head out to Rosebud in what promises to be a defining week in this season. It is an absolute must win for both the Seniors and Reserves and the way in which the Sharks approach this match will give a very strong indication of whether we are any chance this year. We know the Rosebud boys will come out firing and there will certainly be no love lost between the teams, but it really is up to us to stand up under the pressure. We know we have the ability, it's just a question of whether we have the will. We're all hoping that we do.

Go Sharks!!!

Julian

Round 13, 2016

SENIORS

Round 12

Hastings (6.14-50) v Sorrento (4.8-32)

No report provided.

RESERVES

Round 12

Hastings (4.4-28) v Sorrento (3.12-30)

The Urban Tones Twos had another win on Saturday. Five on the trot now, but a bit of a scare late. After plenty of rain over night and during the morning, the ground wasn't ideal. We got off to a flyer with 8 scoring shots from 14 entries to 1 shot from 1 entry in the first stanza. Unfortunately, we only led by seven points.

From then on it was a slog with both teams desperate in the trying conditions. A 9 point last change lead was whittled down to just two by games end. But a two-point win means another four points on the ladder.

Plenty of contributors, Feldy, Loch, Junior, Pitch, Brigga, Hick, Shep, Hammo, Paddy and Plugger.

Thanks to everyone who made the trip over to Hastings to help or support. Great to see the away support still strong.

With two games remaining we are in fourth spot but need to win both games to play finals. Games against top placed Rosebud and second placed Red Hill lay ahead over the coming weeks. Our fortunes are in our own hands and our efforts in these games will seal our future.

A Team First attitude will go a long way to getting the job done.

Cheers

Flip

UNDER 19'S

NETBALL REPORT

Round 11

Hastings (1.2-8) v Sorrento (12.20-92)

No report provided.

The 19s have been in great form over the last few weeks and weekends game against Hastings was no exception putting us back on top of the ladder.

The conditions were testing to say the least. It was very wet under foot and rained and hailed throughout.

We played some really smart football into the wind but not so when we were going with it. We went very wide into our forward line resulting in us kicking 12-20.

It's pleasing that best players were hard to pick because everyone played their part in the win. Angus Callaghan, Will Tucker and Mitch Towers were our three standouts for the day.

Hope to see you all at Rosebud this weekend as the boys continue fine tuning our game for the finals.

Round 13, 2016

JUNIOR CLUB REPORT

With the last home and away round upon us this week it spells the end of the year for some of our sides and finals for others.

Our under 9's and 10's will play their last game of footy for the year as they don't have a finals series so it's a sad day for a number of kids who will miss playing footy until next year.

Our under 11's and 12's currently sit in 6th spot on the ladder in what is a top 5 so will most likely miss out on finals but the improvement in these sides has been fantastic all year and it's been a credit to the coaches and parents to bring the kids so far.

The Under 13's sit in 5th spot and will play at least one final this year with their last home game at Shark Park this week at 11.00am. Well done to all involved for a run at the finals.

Our stand out side the Under 14's sit comfortably on top of the ladder and are playing with a great deal of confidence and desire. They are a great bunch of kids who are well drilled and are so very good to watch week in week out. After finishing runner up last year it looks like it's going to be a great finals campaign for them and I will keep you up to date on their progress over the next couple of weeks.

The Under 17's season is on the line this week and must win to play finals. They travel over to Pearcedale which is never easy but the boys are determined to play finals so with a bit of determination they will hopefully bring home the chocolates.

Only two games at home this week being the U9 Sharks at 10.00am and the Under 13's at 11.00am.

Finals teams update next week

Go Sharks!
