

**NOTE FROM THE EDITOR**

Last week we were back at Shark Park for the second time this year and we came up against Crib Point who have given us a real run for our money in recent times. Luckily for us, this time we had their measure overall, but the fixture resulted in some extreme results with the Seniors and Under 19s having huge wins and the Reserves being well beaten.

The results mark the continuation of the Under 19s really impressive form which sees them sitting on the top of the ladder and hopefully indicates that the Seniors have turned the corner, after a shaky start to the season, and are back on the right track. As for the Reserves, it was a disappointing day at the office, but we're all hoping that it was just a minor blip in what has otherwise been a solid campaign in 2016.

Not wanting to be outdone by our talented young footballers, the Under 17 netballers put in a fantastic performance as they comprehensively beat the Cribby girls 57 to 11. Having so much talent in the junior ranks is a great sign for the club so let's hope both the boys and girls can all keep it up as the year progresses. Unfortunately, the other netballers fell short in their games, but they put up a great fight as always and managed to put together some great passages of play in each of the matches.

This week we are at Shark Park once again as we come up against Senior Coach Nick Jewell's old club and the reigning premiers, Rosebud, in what promises to be a really exciting match up.

After the stellar season they had in 2015, the Rosebud Seniors have had a mixed start to this year, with two wins, a big loss to Hastings and a draw with Rye last week.

Our boys will be hoping to capitalise on that inconsistency this week, but it's never easy to knock over the reigning premiers, especially when they are out to prove a point against their former coach. With that in mind, and given the fact that Rosebud sit in the top four in all three divisions, it is going to be crucial that all of our teams put their best foot forward this week if we are to have any chance of coming away with three really important wins.

We're hoping to get a big crowd down at Shark Park this week on Mother's day weekend so make sure you get down there early and show your support for all of the Mighty Shark's footballers and netballers – and their mums!

We hope that all you mothers out there have a great day this Sunday and, for everyone else, make sure you stop off and pick up some flowers and chocolates for your mum on the way home from the footy! While they don't often take to the field (except in those infamous parents v kids matches), the mums play a hugely important role in all footy clubs around the country and we thank you all for your continued support. It is much appreciated!

Go Sharks!!!
Julian

SENIORS

Round 4

Sorrento (25.10-160) v Crib Point (9.8-62)

A terrific team performance. We have been getting better every week and managed to put together a strong performance albeit against Crib Point who are struggling in the early parts of the season. 12 goals in the second term was a great example of what we are capable of when we defend strongly and set up well at stoppages to win the ball back. We attacked with speed through the corridor giving our tall forwards the opportunity to put their stamp on the game. For mine, the most pleasing part of the game was our intensity and attack at the ball in the first quarter. Willo and the mid fielders set the scene, our work rate was high, outnumbering at the contest, and we were strong below our knees in traffic. We cannot move away from this!

Great to see our new faces show us why we went after them as recruits, with Jack Egan and Nick Marston patrolling the wings giving us great drive and an outlet from defense while 'The Lure' Nick Corp and Scotty Lockwood gave us a great target up forward kicking 9 goals between them. Chad Harris was busy up forward continuing his good start to his senior career and has been rewarded with a call up to the Dandenong Stingrays squad in the TAC competition. Our back six worked very well together defending strongly and taking the game on when required.

We now sit 2-2 and face Rosebud and Rye in the next fortnight, while we have improved every week we are going to have to improve again and be at our best to get the results we need. All clubs are coming after us in 2016 and make no mistake Rosebud will be hunting us from the first bounce. I can't wait to see how we respond! Nick

RESERVES

Round 3

Sorrento (4.10-34) v Crib Point (13.4-82)

The reserves had their first loss of the season against Crib Point last game.

In warm sunny conditions we went in confident after a good week on the track.

The first quarter was keenly contested with the lads up and about. A one point lead at the first change didn't tell the real story as we had dominated going forward but couldn't capitalise.

The second stanza started evenly but we soon hit a snag with three quick turnovers resulting in opposition goals. At half time we trailed by 21 points.

After the main break we continued to struggle to get through their defences and confidence ebbed. The final result was an eight goal loss and some tail between the legs.

Better players were Dobrowloski, Shepherd, Gardner, Duewel, Pattison and Diconza.

Flip.

Round 4, 2016

UNDER 19S

Round 4

Sorrento (16.15-111) v Crib Point (5.6-36)

The 19s kicked the day off against Crib Point at Shark Park and had another great win.

It was great to see the boys start well which we haven't done in past weeks. Our start continued into a solid 4 quarter effort producing a 14 goal win.

Most pleasing was our TEAM football. When we play that way we look great as a side and it brings everyone into the game.

Bailey Holt and Dekka Thompson-Irwin played a great games in the middle and in the ruck. They worked well together which led to Bailey having a huge amount of the footy.

Harry carter, Matt King, Jack Grant and Joey Boase also had great games along with majority of the team.

Our best team player for the day was Matt King.

Hope to see you all at Shark Park at 10am this Saturday to watch the lads put on another great show.

Cheers Luke

NETBALL

Round 4

A Grade (8-60), B Grade (8-44), and C Grade (16-20) all lost The U/17s won (57-11)

The girls were up against another tough team this week with Crib Point at home.

The Under 17's had a big game this week coming out with their strongest side, all the girls played beautifully. Anna on her goals perfectly and Annie playing another really good game in mid court winning our highest scoring game so far, 57-11.

C Grade didn't come away with the win but definitely put up a fight to be holding the lead at 3rd quarter time. Unfortunately, Crib Point came out with a dominating last quarter to take the lead. Incredible effort particularly by our defensive end who continuously put pressure on Crib Point's attackers.

B Grade also put up a fight but a massive stand out was Jen Watts as goal keeper who took intercept after intercept and managed to turn the ball over on more than one occasion.

A Grade had another tough gig this week with players dropping off one after the other with injuries. It was a very long game. Credit to the girls for never giving up and trying their hardest to stay in the game, nevertheless, the better team won. A big well done to our star defender, Georgia James! She had another cracking game with constant intercepts.

Thank you to Anna Croad for stepping up when thrown into goals with Tiahn Denniston-Spaull, both girls did very well!

Hope Ally, Soph and Lib all heal up well from injuries. Let's get fired up for this weeks' game!
Go Sharks!!
