

Church Security in the Time of Protest

Presented by Livingstone Security Solutions

- How do you protect your church in case of protest demonstrations?
- What should the congregation do in order to minimize disruption?
- What is the best response to protestors?

These questions and more will be covered by this security training session. A special segment dedicated to children's department security is included.

Saturday, June 25, 2022, 9:00 a.m. until noon
