

For God's gifts and His call are irrevocable. [He never withdraws them once they are given, and He does not change His mind about those to whom He gives His grace or to whom He sends His call].

Romans 11:29 (AMP)

Stepping-Out is not just a women's conference. It is something that applies to everyone. In order to release Heaven's Kingdom agenda here, in and on the Earth, we need to overcome and walk in our Sonship, our identity. We have to find our security in Whose we are (our identity), so that we can know who we are (our purpose) and what part of His heart, His plan, we are here to demonstrate and fulfill.

Stepping-Out is not about us; it's about "the entire universe standing on tiptoe, yearning to see the unveiling of God's glorious sons and daughters (Romans 8:19)!" Do people see His purpose demonstrated in your life? Do people want to know more about Jesus because of you? If not, today is the day...

IT'S YOUR TIME TO STEP OUT...
