The exception to this rule will be if a 4-H or FFA member owns the champion or reserve champion market animal in more than one species or the same species. If this should occur, they will be required to sell each of their champion or reserve champion market animals. For example, if a junior division exhibitor has both the champion and reserve champion in one or more species, they would have to sell those champion and reserve champion animals but no other animals. **All grand and reserve champion market animals will be required to be sold at the Moffat County Junior Livestock Sale.**

If a market animal is weighed in at fair, and is within weight requirements, it cannot be pulled or withdrawn from the show and must be shown in champion drive, if eligible, and sell if awarded overall grand or reserve champion.

The following species will be available for sale:

- ▶ Market Beef, Market Sheep, Market Swine, Market Goat, Market Chicken Pen(s), Market Turkey Pen(s) and Market Rabbit Pen(s)

13. Only livestock sold through the Moffat County Junior Livestock Sale will be under control of the Moffat County Jr. Livestock Sale Foundation after sale.
14. Due to transfer of ownership of all livestock upon completion of bidding at the Junior Livestock Sale, not all animals are guaranteed to be in the carcass contest.
15. Advertising for sale or sale of market animals, including beef, sheep, swine, rabbits, poultry, ducks and goats, not eligible for the Junior Livestock Sale, will not be permitted on the fairgrounds.
16. Sale consignors are responsible for feeding and watering animals that sold through the Moffat County Junior Livestock Sale until those animals are taken to the packing house.
17. No market animals declared for the Junior Livestock Sale may be taken from the fairgrounds prior to the Junior Livestock Sale. Sale animals may not be taken from the fairgrounds after the sale, unless written authorization from the buyer is received by the Moffat County Jr. Livestock Sale Foundation. Those animals that sold through the Moffat County Junior Livestock Sale will remain at the fairgrounds until animals are taken to the packing house unless **prior** written

authorization is received from the buyer.

18. Junior Division (4-H/FFA) member sale checks will be available at the Moffat County Extension Office approximately 4 weeks after the sale or after the buyer has paid. Checks will be released to 4-H/FFA members upon acknowledgement of receipt of their thank you from the buyer(s).
19. There shall be no artificial coloring, paint, glitter, glue, or other substance that will adhere to the skin or hair on animals for the Junior Livestock Sale.
20. 4-H/FFA members must sell their own animals. If extenuating circumstances exist, then an alternate current Moffat County 4-H/FFA member may sell an animal if approved by the Moffat County Jr. Livestock Sale Foundation prior to the sale.
21. The Moffat County Jr. Livestock Sale Foundation reserves the right to determine eligibility for sale at any time based on health, quality, or suitability of all market livestock.

CARCASS CONTEST

1. The Moffat County Fair Board is responsible for coordination and implementation of carcass judging and awards.
2. Carcass judging will take place Tuesday PM and Wednesday, following fair week.
3. In order to be eligible for the carcass contest, no market lambs, market goats or market swine will be slaughtered before Sunday after the Junior Livestock Sale.
4. In order to be eligible for the carcass contest, no market beef will be slaughtered before Monday after the Junior Livestock Sale.
5. Only animals (all species) that are shown in a market class at county fair are eligible for the carcass contest. Any animals shown in feeder or heavy-weight classes will not be eligible for carcass contest. Only animals that are sold at the Junior Livestock Sale or are on the second animal declaration sheet are eligible for the carcass contest. Animals that are loaded out by undesignated persons will not be eligible for carcass contest.

All second animals, not going through the Junior Livestock Sale, that are planning to be slaughtered and loaded out starting Sunday, are required to be declared by 3 PM on Friday before the sale. The declared second animals will be marked for loadout at 12 PM on Saturday, August 8, which will make them eligible for the carcass contest, providing they meet weight requirements, and loadout to the designated packing house. Failure to declare will result in your animal not being eligible for the carcass contest and not loaded out for delivery. All no kill animals must be removed from the Fairgrounds no later than 12 PM on Saturday, August 8. The Moffat County Fair Board is not responsible or liable for any animals left on the fairgrounds after 12 PM on Saturday. The 4-H/FFA members and families are required to care and look after their animals until they are loaded out.

6. All species will be killed on the designated days (i.e., swine, goats and sheep on Sunday or Monday, market beef no earlier than Monday) to allow for equal/quality cooling time.

FOODS

The following rules apply to all canned goods:

1. Except where otherwise noted, all articles in this division shall be in standard canning jars only - half pints, pints, and quarts. (i.e. no mayonnaise jars).
2. Any article may be tasted to the satisfaction of the judge.
3. All jars and glasses must be labeled on the side of the jar as follows:
 - Product name
 - Month and year of processing
 - Processing method (hot water bath or pressure cooker)
 - Altitude, time and/or lbs. pressure

*** Do not include exhibitor's name on label.
Jars not properly labeled may not be judged.

PLEASE NOTE: Our number one concern is food safety. The following precautions must be taken.

4. All jars must have rings and they must be readily removable.
5. Open canned goods such as meat, fruit, and vegetables should be taken home following judging with superintendent's permission to prevent spoilage. They will be marked if opened.
6. Processing times will be taken from the Ball Canning Book, with high altitude adjustments made for your elevation (i.e. Craig, CO 6,200'). Items not processed at high elevation recommendations, will be lowered by one ribbon.

The only exception to this rule is for Jellies. Colorado State University Extension has determined that the high altitude processing times listed in the Ball Blue Book should not be applied to jellies, since doing so would result in a severely over-processed product. Instead, boiling water processing times for pints or half pints of jelly are recommended at 10 minutes for 1,000 to 6,000 feet, or 15 minutes at altitudes above 6,000 feet.

Canned Fruit, Meats, Soups and Vegetables will be scored according to the following: Pack 20%, Liquid 10%, Color 20%, Quality 30%, Condition of product chosen 10%, Container 10%.

Quilts will be entered, judged, and displayed under the grandstands. Please bring your quilts to the EAST end of the grandstand area. All general rules apply.

A quilt is defined as having three layers - top, batting and backing, and must be finished, with the exception of quilt tops. Items must not have been entered in this fair before.

To determine where to enter your quilt, first determine the general technique (appliquéd, pieced, combination appliquéd and pieced, or a special technique). Then choose the appropriate size (accessory item/wall hanging, bed, crib/lap). Then choose the class within that division that best describes the specific technique used. If your quilt is a special technique, choose the appropriate division first and then the size. Accessory items are things such as placemats, napkins, wall hangings (smaller than 30" x 50"), etc. Bed size includes twin, full, queen, and king. Crib/lap size is 30" to 45" on the shortest side and 50" to 60" on the longest side.

Amateur and Professional Classes: Please note Amateur and Professional on entry tag. Professionals are designated as follows:

- ⇒ Teaches for pay or
- ⇒ Has sold more than \$500.00 within the past year or ...
- ⇒ Has won a major award in a national show or exhibit or
- ⇒ Is a professional by trade

SHOOTING SPORTS

No live ammo, tipped arrows (including field points, broadheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit. Cardboard, paper cutouts or décor resembling firearms or bows are allowed for display purposes in the display or stand-alone classes.

Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun). Do not use pictures of primarily tactical in design firearms in your display, i.e. AR platform or military type firearms.

No display boards or decorative items are allowed in the Stand-Alone classes.

For those items that will be displayed on the floor, there will be a maximum size of 3 feet in width and depth and 7 feet in height, because of limited floor space. The item must be stable when standing to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.

For those members who are exhibiting both a display board and a stand-alone, they may copy their e-record. Each exhibit must have an e-record. Be sure to highlight what you are exhibiting in your e-record.

HIGH POINT AWARDS ANNOUNCED AT
CULMINATION OF SHOW

There will be Adult Open Classes offered after each 4-H/
FFA Division.

Please refer to the current Colorado State Fair 4-H
Contest Requirements for complete rules, classes and
guidelines. Co4h.colostate.edu.

4-H

Division 530

SHOWMANSHIP

There are no universally accepted standards for judging a showmanship class, and the winner is the one who, in the judge's estimation, does the best job of showing their dog. In showmanship, as opposed to obedience classes, the heaviest emphasis is placed on the handler's performance and presentation of dog. In 4-H Showmanship, conformation of the dog is specifically not to be considered.

Appearance of Handler

The Colorado State 4-H Dress Code is to be followed by all Junior, Intermediate, and Senior 4-H members, as well as adult leaders. Please refer to the current Moffat County 4-H Handbook for Dress Code guidelines. In addition, some activities or events will have specific dress requirements that will need to be followed. No pajamas during the show.

Grooming of Dog

Brushing (mat, dead hair) trimmed toes and nails, clean teeth, groomed according to most apparent breed type.

Exhibitor's Handling of Dog

Front Set-up: judges side first, head high (no choking), feet placed directly beneath the shoulders— toes pointing straight forward, legs should fall vertical from shoulder and parallel (within limit of the most apparent breed),

Rear set-up: Legs slightly wider apart than front-adjust the leg that is most out of line first.

Gaiting: Ability to follow direction in judge's pattern. Dog always fully visible to judge. In gaiting position, smoothness in turns, gait proper to most apparent breed (when applicable). Ability to exhibit dog's movements according to most apparent breed.

Examination: Stand properly during entire examination, does not sit or move away before or during examination. Does not growl or snap. Any dog attempting to bite a handler or anyone else in the ring, will be dismissed from the ring. Dog is happy and attentive to handler.

SHOWMANSHIP CLASSES

Novice classes are for those members who have no outside showmanship experience as determined by the county. If prior experience is determined by the county, the exhibitor must move into open class in their appropriate age group.

LIVESTOCK

Division 592

Below is a list of additional livestock contests held during fair or in conjunction with county fair.

ROUND ROBIN SHOWMANSHIP CONTEST

Small Animal:

Friday, August 7th, 5 PM

Large Animal:

Saturday, August 8th, 8:30 AM

Livestock Barn

There will be two separate Round Robin shows:

Large Animal Round Robin – which will include horse, beef, sheep, swine, and goat

Small Animal Round Robin – which will include dogs, rabbits, poultry, and cat

The Champion showmen from each age division, for each species are expected to show in the Round Robin competition. If an exhibitor has been selected as the champion in more than one species, the exhibitor must decide which animal he/she wishes to compete with in the Round Robin, and the Reserve Champion showman for the other species in that age division will be asked to show in the Round Robin competition. If the Champion and Reserve Champion showmen are not able to participate, the 3rd place showman will be asked to show. If the 3rd place showman is unable to show, the round for that species and age division will be left vacant.

Exhibitors will show an animal of each species from his/her age group. ***Exhibitors need to be prepared to properly show and answer questions pertaining to each species that they are showing.*** The same animal will be used throughout the rotation unless the judge or representative requests a switch. If an animal switch is made mid-competition, any showmen who showed the previous animal (except the owner of the previous animal) will be granted the opportunity to show the second animal for 1 minute at the end of the Round Robin.

Exhibitors will show the same animal which was used in their showmanship class unless that animal poses a handling problem that may cause a dangerous situation for the less experienced showman. Any animal changes must be approved by the Round Robin Representative prior to the show.

Exhibitors are responsible for preparing their own animals for show to the best of their ability. Exhibitors are to dress appropriately for their species and will not change clothes during the round robin. Exhibitors will not be expected to

SPECIAL CONTESTS

wear cowboy hats during the horse showing and will not be discounted for not wearing one. Exhibitors will have assigned numbers and scores will be recorded using these numbers.

Each exhibitor will start the first round by showing their own animal. The exhibitors from each species and each age division (three per group) will rotate through the rounds together. Time will be announced with a one-minute warning signal prior to the end of each round.

Each round will be judged for 5 minutes except for the first round, which will be 7 minutes:

Round 1: 2 minutes for grooming score using
 own animals
 3 minutes for showmanship
 2 minutes for knowledge questions
 Total of 7 minutes

Additional Rounds: 3 minutes for showmanship
 2 minute for knowledge questions
 Total of 5 minutes

When the end of each round is announced, designated 'holders' will take the animals from the exhibitors. Each group of exhibitors will then move to the next species round.

Points will be assigned by the judges for each species, as follows:

- ▶ Grooming (Round 1 Only) maximum of 20 points
- ▶ Showmanship maximum of 20 points
- ▶ Knowledge maximum of 20 points

Scores will be tabulated and winners will be announced at the **AWARDS PROGRAM at 5:30 PM Saturday, August 8th, 2020 in the Livestock Barn**, before the Junior Livestock Auction.

Ribbons and placings will be awarded to all participants, and belt buckles will be awarded to Champion and Reserve Champion winners in each age group.

CARCASS CONTEST:

The awards program and presentations for the Carcass contest will be held on **August 13, 2020 - Time TBD**. In order to be eligible for the carcass contest:

1. No market lambs, market goats or market swine will be slaughtered before Sunday after the Junior Livestock Sale.
2. No market beef will be slaughtered before Monday after the Junior Livestock Sale.
3. Only animals (all species) that are shown in a Junior Division (4-H/FFA) market class at County Fair are eligible for the carcass contest. Any animals shown in feeder or heavy-weight class at County Fair will not be eligible for the carcass contest. Any animals taken to slaughter without showing in a market class at County Fair are not eligible for Carcass Contest. Only animals that are sold at the Junior Livestock Sale or on the second animal declaration sheet are eligible for the carcass contest. Animals that are not loaded out by designated load-out crew will not be eligible for carcass contest.

All second animals, not going through the Junior Livestock Sale, that are planning to be slaughtered and loaded out starting Sunday, are required to be declared by 3 PM on Friday before the sale. The declared second animals will be marked for loadout at 12 PM on Saturday, August 8, which will make them eligible for the carcass contest, providing they meet weight requirements, and loadout to the designated packing house. Failure to declare will result in your animal not being eligible for the carcass contest and not loaded out for delivery. All no kill animals must be removed from the Fairgrounds no later than 12 PM on Saturday, August 8. The Moffat County Fair Board is not responsible or liable for any animals left on the fairgrounds after 12 PM on Saturday. The 4-H/FFA members and families are required to care and look after their animals until they are loaded out.

4. All species will be killed on the designated days (i.e., swine and sheep and goats on Sunday or Monday, market beef no earlier than Monday) to allow for equal/quality cooling time.
5. Carcass contest fees will be deducted from your Junior Livestock Sale check.
6. Awards will be presented to the champion and reserve champion beef, swine, sheep and goat carcasses.
