EEC Solutions is a government service provider offering defense/security consulting and training based on years of military leadership, training, planning, and decision-making experience in the Defense, Foreign Service, and Intelligence Community customized to the business sector. Our defense and security segment has an extensive network of experts providing quality and innovative solutions tailored to our customers' needs. We also offer strategic planning and engagement products with the ability to develop and execute professional seminars and conferences. EEC Solutions is also the Department of Veteran Affairs Certified Service-Disabled Veteran-Owned Small Business (SDVOSB), and HUB-Zone qualified Small Business. We hold an active "Top-Secret" facility clearance, and we are located in the State of Florida.

EEC Solutions provides a variety of services including equipment in support of the fight against COVID-19. We have a unique relationship and partnership with our supplier and manufacturer, giving us access to this life-saving equipment. For over 23 combined years, our experts have been providing services and skills to numerous government agencies as well as small business owners and private professionals in need of our professional services. When you partner with us, you will be joining a team of professionals who pride themselves by providing excellent and timely support to our clients to help them meet their business development and management goals in no time. EEC Solutions Founder and President is a retired U.S. Army Military Intelligence Officer with over 23 years of experience in the community abroad. He served in countries such as Korea, Panama, Bolivia, Chad, El Salvador, Colombia, Zimbabwe, Malawi, and Namibia providing a unique capability to our customers.
