For I bear witness that according to their ability, yes, and beyond their ability, they were freely willing, imploring us with much urgency that we would receive the gift and the fellowship of the ministering to the saints. 2 Corinthians 8:3,4

This is a word to the Corinthian church encouraging them to give an offering to help their fellow followers of Jesus in Jerusalem that were struggling due to a severe famine. Other churches had already given an offering to help, and many of them gave out of their poverty. Paul goes on to write in chapter 9 about the blessing of giving and how it will supply the needs of the saints, causes much thanksgiving to God, and encourages those suffering to glorify God.

Although a portion of our church family offerings go to KY Disaster Relief, we have an opportunity to help in a very specific way those who are still recovering from the deadly tornadoes in Western KY. From now until Homecoming (October 9), I encourage every church family member to give an offering to aide our fellow followers of Jesus. The amount of each gift is of no concern, only that everyone gives with a cheerful heart. Whether you choose to give by check or cash, please use an envelope and write Tornado Relief on it. Former Pastor Charles Frazier will be here for Homecoming and we will give the offering to his church to use to minister to our brothers and sisters in Christ in the area.

This effort is just like Paul's encouragement to give to the church in Jerusalem. 2 Corinthians chapters eight thru nine record this effort. Please pray to seek God's face in how your family should give.

It is time to fill ministry positions for the new church year which starts in September. Are you currently serving or involved in any ministry? Are you a new member looking to get involved? A list of all current ministries is available at the Welcome Center for you to pray about where God is leading you to serve. According to scripture, every church member should be serving somewhere!
