*He who does not love does not know God, for God is love. 1 John 4:8*

As the verse above states, God is love and 1 John 4:19 states that we love God because He first loved us. Real love is only found in God and we know how to love only because of His love. The word "love" in our culture today is used so haphazardly that most do not know what real love even looks like.

With the month of February upon us, we will start a new sermon series called Real Love. We will mostly study 1 John chapters 3 - 5:1-5. While you read these chapters in preparation for the sermon series, you will find three main loves that John speaks of; God's love for us, our love for God, and our love for one another.

When we look at God's love for us, God's word will answer questions like: Is there anyone God does not love? Does God's love depend on me being "good"? How can I know that God loves me?

We will also examine our love for God. What does loving God really look like? Can our love for God grow cold and if so what can be done about it?

Finally, we will walk through what it really means to love one another. God not only commands us to love one another, but also shows us how to love one another. The truths we will see are so contrary to our culture.

Join us as we dig into God's word for the next few Sundays to see what real love is.

All for His Glory - Pastor Chad

Building team is working on preparation for the lot north of the parking lot. If someone wants to cut some trees for firewood, please see Kim Smith. There is the potential for some fill dirt and rock to start coming in within the next 3 months.

Looking for ideas on what to put in the rock area between building A and B. Please let a building team member know if you have suggestions.

Painters are still needed for building C. Supplies are at church if you have time to paint.
