*By this all will know that you are My disciples, if you have love for one another. John 13:35*

The phrase "one another" is mentioned 117 times in the New Testament in the NKJV translation. Of the 117 times, there are 22 times we are told to love one another. Jesus said it is by loving one another that all people will know that we are His disciples.

As our world continues to go further away from God and His teachings, the more we see a lack of love for one another, and sadly this sometimes enters the church as well. Loving one another as Christ has loved us does not require agreeing on everything. Loving one another does not require being in the same political party. Loving one another does not require the same skin color, social class, or anything else. In Christ, we are to love one another, even those that do not love Jesus or us as His followers.

As followers of Jesus, we are to allow Jesus to love others through us. This love for one another will be seen in our words and actions. We will find ourselves being kind to one another, encouraging one another, forgiving one another, not judging one another, serving one another, ministering to one another, being hospitable to one another, and more. All of these and more are "one another" phrases found in the Bible.

The love of Jesus in a dark world shines very bright. May the love of Jesus be seen in each of us as His followers as we live, work, and walk in this world that is not our home.

All for His Glory,

Pastor Chad
