And I said to the king, "If it pleases the king, and if your servant has found favor in your sight, I ask that you send me to Judah, to the city of my fathers' tombs, that I may rebuild it." Nehemiah 2:5

I just finished reading the Old Testament in one of my DGroups. The verse above is found in Nehemiah and occurs when he asks King Artaxerxes permission to return to Judah to rebuild the wall around Jerusalem. God had placed this in his heart as a specific calling in his life. This calling gripped Nehemiah and he simply obeyed and trusted God all the way. Throughout Nehemiah and the Bible we see God call people to a specific ministry, equip them, and empower them to do His will. Anyone with the call of God, the plan of God, and the hand of God can be part of something great. You see, Nehemiah did not build the wall in such a short period of time, God did it through Nehemiah and the people he led. That is how it works. God calls all followers of Jesus into some type of ministry to serve Him for His glory. God also has a plan for us to follow and promises that His powerful hand will be with us as we trust and obey Him.

What is God calling you to do today? Will you simply obey and trust Him?

The church family voted to approve the additional amount of money needed due to inflation to brick building B. We do not know a start date yet as we are waiting for the brick to arrive. Please understand that the parking lot will be a little messy for a while with sand, brick etc. It is estimated to be a 4-5 week project.

Are you graduating in 2022 or have someone in your family that is? We will celebrate our church family graduates on May 22, 2022 in both morning worship services. Please let us know by May 15th so we can be prepared to celebrate with your family.
