*And when they prayed, the place where they were assembled together was shaken; and they were filled with the Holy Spirit, and they spoke the word of God with boldness. Acts 4:31*

As we continue to go through the Book of Acts, the power and boldness that the Holy Spirit gives followers of Jesus is a common occurrence. When the Bible records an individual or a group of people being filled with the Holy Spirit, there is always power and boldness to speak the word of God. The power and boldness that is seen in the church in Acts is still available today and so desperately needed. This power and boldness is experienced when God's people are filled with the Holy Spirit. Join us on Sunday mornings and Sunday evenings as we go through the Book of Acts.

I also want to take a moment to provide some updates. The building loan balance from the remodel is just over \$66,000 at the end of April. Thank you for your faithfulness in helping to retire this debt. I would like to encourage each family to help us pay this off this summer. God has been very good and faithful to us as a church family and I have faith that God can do this through us.

The Building and Grounds Team is continuing to work with an architect and construction group about the possibility of building a connecting building between building B and C. This process continues to move forward, so please pray and seek God's will in this.

All for His Glory - Pastor Chad
