For you did not receive the spirit of bondage again to fear, but you received the Spirit of adoption by whom we cry out, "Abba, Father." Romans 8:15

Followers of Jesus have been adopted into the family of God. What a beautiful truth! It is through the gospel of Jesus Christ that we become children of God and can call Him "Father". It is through this adoption that we also obtain an inheritance that is waiting for us in heaven.

On September 9th, the Christian movie Lifemark will be in theaters. It tells the true story of a woman that decides to give her baby up for adoption instead of aborting. This story goes back and forth between the mother giving her baby up for adoption, the adoptive parents, and the son as he grows older. The same people who made Fireproof, Courageous, War Room, and Overcomer are the producers.

Here are some ways I would like to encourage you to use this opportunity. Go on a date night with your spouse as you can actually go to a movie and enjoy a clean film. Another way to use the film is to invite other couples to go with you on a date night. Go out to eat together then enjoy the movie. This would also be a great time to go together as a small group/Sunday School class. The gospel is also presented in the movie, so use it to invite unsaved friends, family members, and co-workers.

Make the most of every opportunity; Jesus is coming.
