### Executive Director's Note

Greetings FSLR&TP Family and Supporters! Happy 2020 and may the Lord bless you and your family even the more during this new decade. This year brings so many new hopes, dreams and goals for many; and FSLR&TP are among that number. We are expecting great things from our Lord as we move forward during this major transition. We are excited about being able to help more women and bring restoration to those who thought they were forgotten.

### 2019 Tax Receipts

FSLR&TP is working hard to towards sending out our 2019 tax year donation receipts. If you do not receive your receipt via email or mail by January 25th, please call our admin office.

### #GivingThatGivesLife

FSLR&TP is seeking 12 donors willing to donate \$100 a month for the next 12 months during 2020 to help us aide in the fight to END Human Trafficking by sponsoring one of our two restorative care homes or our new restorative care retreat home for those that work with sexually exploited survivors. For more details contact our admin office at **704-412-1896**.

As we move forward we are asking that you stand in prayer with us and partner with us as we attempt to fill the will of God. We believe what God has promised and we will continue to stand firm on His promises, not only for FSLR&TP, but for those we serve. What better way to start the new decade and calendar year with **"Slavery & Trafficking Prevention & Awareness Month"**. Find out how you can help prevent trafficking and how you can spread awareness. May God continue to bless you and may you serve Him with all that you are and can ever hope to be for Him.

### Residential Restorative Care Housing Update

FSLR&TP is moving right along and progressing well in establishing our new homes in our new locations. We have been able to secure the necessary licenses and are working toward being an approved Medicaid provider in North Carolina through our Executive Director's clinical licensure. FSLR&TP has made several key connections with local officials and continue to move faithfully forward.

### FSLR&TP's Spotlight "Fresh Start's 20/20 Outlook"

As many of you know we have completely transitioned to Charlotte, NC with two of our homes and working hard toward our Richmond, VA home's opening. FSLR&TP has outlined the following items as major goals to accomplish during this 2020 calendar year. If you would like to partner with us in any way to work toward combating the traumatic results of trafficking, please feel free to contact our administrative office. We are currently

looking to: 1). Add six new board members to our Executive Working Board. 2). Acquire three homes as major donations that will house the residents we serve. 3). Establish two new free counseling programs, and two new mentoring programs. 4). Open a retreat home for those that work with trafficking and trauma survivors as a place of renewing and refreshing. **"2020 Shall Be the Year of RESTORATION!"**
