

Parental Approval

This permission form outlines some of the school programs and activities. As a parent, you have the right to withdraw or limit your child's participation at any time.

1. LOCAL EXCURSIONS

These are minor, no cost excursions within the local area. They may occasionally involve bus travel. You will always receive notice of these excursions through the school newsletter or notes sent home. Parents who do not wish for their child to participate in a specific excursion are asked to contact the school expressing their wishes. All other excursions, camps and swimming will be subject to your specific approval before your child can take part.

2. HEAD LICE INSPECTIONS

Regular vigorous brushing of hair will damage lice eggs and prevent eggs from hatching. A whole school head lice check is carried out at the beginning of each term and families are notified if live lice or eggs are found. Trained members of the community conduct this check. At other times if head lice are suspected students will be sent to a designated staff member for inspection. In cases where head lice are found you will be informed and, in an effort to halt the spread of the head lice, asked to come and collect your child. **Please note: The Department of Health requires that where a child has head lice, the child should not return to school until appropriate treatment has commenced.**

We can provide you with pamphlets and advice sheets regarding treatment if you would like.

3. PUBLICATION OF STUDENT WORK & PICTURES

During the course of the year children's work or personal photographs may be published in the school newsletter, local newspapers or appear on other media. Parents have the right to withdraw permission for this to take place. If you agree to have your child's work or photograph published now, but circumstances change during the year, please notify your child's class teacher immediately if you wish for this permission to cease.

4. PRIVATE TRANSPORT

There are some occasions during the year where students need to be transported by private vehicle to attend excursions, camps, sports etc. All vehicles will be driven by a staff member/parent and are comprehensively insured. The school will notify you regarding each excursion/sports day where private transport may be required.
