

Eagle Point Primary School

NEWSLETTER

Thursday 9th February, 2023

Dear Parents,

In classes for the first 2-3 weeks students and staff discuss and create the expectations for each classroom, in regard to setting up the work environment, relationships and social interactions. If you have any questions about how your child is settling into the new school year, please contact the classroom teacher. Your child will also be able to share some of the ideas brought up during these discussions. Our seniors are writing their own classroom Acknowledgement of Country this week. After reading the drafts, I am very impressed with the student's depth of understanding of the purpose of these words. Well done to students and staff.

Last Friday we said farewell to Miss Gabi as she prepares for the birth of her first baby in March. This is such a special time for her and her husband and we wish her all the best. We are getting very excited about becoming 'Aunties' and 'Uncles' to a new life. Although we will miss Gabi very much we are excited to welcome back Mrs Blaire Wassink who returns to work in March this year. Mrs Wassink will be working alongside the Junior school teachers in Room 1 and 2.

Nominations are now open for 3 parent places on the Eagle Point Primary School Council. All parents with a student enrolled at our school are eligible to either nominate themselves or you can nominate another person with their permission. Nomination forms are available from the school office. School Council is a great opportunity to contribute to the management of the school, no experience is necessary other than a desire to improve the school for all children. There is 2 meetings per term that last no longer than 2 hours. There are 2 sub-committee meetings, either Finance or Buildings and Grounds which also meet for 1 hour twice per term. If you would like more information, please come and ask.

On Tuesday we had our first House lunch meeting and grade 5 and 6 students had the chance to present a speech to the house members about why they would like the role of House Captain. The younger students voted for their preferred candidate and today four students from each house are being interviewed by our School Captains and Leadership Team to make a final decision. House Captains will be announced tomorrow during assembly. I have been very impressed with the number of students applying for these leadership positions and their serious commitment to the role.

Have a wonderful week

Yours sincerely,

Anna Duncan

Principal
