Dear Parents,

It was so lovely to see everyone arrive at school Tuesday morning for Pancake Breakfast. The children definitely had a wonderful time and they arrived for class sticky and full of chat about their favourite choice of toppings. Thank you to Michelle and her team of student leaders for preparing for the morning. Thank you also to the staff and parents who helped set up, cook, clean and pack up at the end. We really appreciate the support and assistance.

Well done to our school swim team who headed off to the Bairnsdale Outdoor pool on Wednesday 21<sup>st</sup> Feb for the District Swimming Carnival. We had students in all age groups swimming in all strokes. It was wonderful to see so many parents and family members that came along to watch and cheer. Congratulations also to Sienna who represented Eagle Point Primary School at the Interschool Gymkhana at the Sale Showgrounds on Tuesday.

Today and Friday, we have 4 staff and a parent starting the Basic Intensive Choice Theory course which is held onsite. This course is open to all interested parents and the school subsidises half the cost.

Over the past 2 years staff have been focusing on deepening their understanding of the teaching and learning of mathematics and numeracy. Teachers have accessed professional learning and adopted new classroom practices. This year the school has selected writing as the academic focus and staff will be engaging in more learning to build student confidence and skill in writing creative and informative pieces. At home, you can assist your child by being interested in their writing, asking to read their writing pieces, look at their work books and encourage them to create stories and write at home.

Have a wonderful week,

Anna Duncan
