It will be an honor to meet and greet you while we care and share.

Keynote Speaker - Ron DePriest

Ron has touched the lives of 1000s of people...moving generations into purpose and destiny. Gifted with an anointing of the Holy Spirit, his ministry brings people to a more intimate relationship with God regardless of their level of spirituality. You are sure to be moved upon the presence of God as Ron ministers through the prophetic Word...your ministry will be blessed by the Father's love.

Bobby Burnette - Love A Child - Haiti

A true testimony of what God can do. Founders and directors of Love A Child, Bobby and his wife Sherry, started their ministry to Haiti in 1970 with not much more than the call of God to get a job done. Fully dependent on God's divine providence, they moved to Haiti in 1991. The ministry has grown to a multi-million dollar annual budget. Their TV program can be seen weekly nationally and internationally.

Rob Bibb - Phoenix Pastor

Rob pastors Pentecostals of Phoenix, a fast growing, aggressive church of several hundred in North Phoenix. Rob's knowledge of the Word and his leadership abilities, saturated by the Holy Ghost, generates outside speaking invitations at home and abroad.

David Wright - Friday @ 10 AM

Just for Men - "Can You Hear Me Now?"

David was raised in a minister's home and ordained into Pastoral Ministry in 1989. He launched Life Link Church in Gilbert AZ in 2006. He has sought out Pastors and leaders who were discouraged in their leadership development. Regardless of your position in leadership, you will benefit from the *Can You Hear Me Now* session.

Laurie Engquist - Friday @ 10 AM

Just for Women - "Overwhelmed"

Words straight to the heart... Facing the challenge of moving forward after a divorce, Laurie stepped into the role of senior pastor. Step by step God has shown Laurie the path to walk that brings victory in place of defeat.

Mike & Linda Evans

Good News Illusions

Preaching the Gospel in a unique way, Mike & Linda use "illusions" as illustrations to present the Word of God. They have been able to reach those who may not hear the Gospel by standard methods. All ages...5 to 100...have been blessed by this ministry.
