\_\_\_\_\_ Science Explorations (ages 10-16) In this engaging science class, we'll explore a range of captivating subjects, including chemistry, biology, astronomy, and physics. Get ready for hands-on excitement with microscopes, lab experiments, and other activities. All safety-gear provided on-site. The classes, spanning an hour and twenty minutes, will often include a lesson accompanied by an activity. While lab reports are a requirement, we'll ensure they're both educational and enjoyable, making the process of crafting lab reports an exciting part of the learning journey. Mondays from 10:30 - 11:50 am. \$277 for full session (15 classes), \$20/class if paying monthly, or drop-in payment \$25/class (please call ahead).

\_\_\_\_\_ Adventures in Reading and Writing (Ages 10-16) In this English composition and literature class, students will engage in poetry, reading comprehension, and creative writing. They'll improve their grammar, punctuation, spelling, and sentence structure skills. The class, spanning 50 minutes, will also delve into New York State recommended reading materials, and students will have the opportunity to read aloud, fostering confidence in their communication abilities. Mondays from 12:00 - 12:50 pm. \$277 for full session (15 classes), \$20/class if paying monthly, or drop-in payment \$25/class (please call ahead).
