_____ Science Explorations (ages 10-16) In this engaging science class, we'll explore a range of captivating subjects, including chemistry, biology, astronomy, and physics. Get ready for hands-on excitement with microscopes, lab experiments, and other activities. All safety-gear provided on-site. These 90-minute classes will often include a lesson accompanied by an activity. While lab reports are a requirement, we'll ensure they're both educational and enjoyable, making the process of crafting lab reports an exciting part of the learning journey.

Mondays from 10:30 - Noon. \$352 for full session (19 classes), \$20/class if paying monthly, or drop-in payment \$25/class (please call ahead).

_____ Adventures in Reading and Writing (Ages 10-16) In this English composition and literature class, students will engage in poetry, reading comprehension, and creative writing. They'll improve their grammar, punctuation, spelling, and sentence structure skills. This one-hour class will also delve into New York State recommended reading materials, and students will have the opportunity to read aloud, fostering confidence in their communication abilities.
