

Overview

This conference offers Nurses and future Leaders in Nursing knowledge and skills that will help develop and strengthen competencies towards strategic partnership in an ever- changing diverse environment.

Objectives

At the end of the program, the participants will be able to:

1. Identify different leadership styles including your own qualities.
2. Describe the competency skills leaders need in this ever changing healthcare environment.
3. Discuss how individual values influence decisions and interactions in a diverse workforce.
4. Identify several ways strategic partnership and collaboration can help advance nursing practice to better meet the healthcare needs in the 21st century.
5. Define workplace violence and rationale for prevention program.

The Philippine Nurses Association of America Foundation (PNAAF) is an approved provider of continuing education by the California Board of Registered Nursing CEP 14134
