## DOMINION MENTALITY

There are things that you should have already acquired, like that job promotion, dream vacation, college education, dream home...etc! Why has it taken you this long? Are you standing still and holding on to fear and reluctance? It's time to get your desires back on top!

This course is designed to teach you the how to's of developing superior thinking. In just four weeks, you can transform yourself into a strong-minded person that belts more accomplishments and successes that others only talk about.

The Global Teaching Network designed this course with you in mind and is confident in its ability to deliver lessons that will:

- Challenge you in your thinking
- Prepare you to gain a healthier and smarter perspective
- Help you overcome thoughts from past failures, which can stifle your pursuit of progress

By just investing 30 minutes a week, for four weeks in this self-paced course. You will be able to get rid of second-guessing yourself, self-comparison, and thoughts of inadequacy and take the steps of improving and build mental capacity.
