DECLARATION
OF
COVENANTS, CONDITIONS AND RESTRICTIONS
FOR

THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR CHELSEA PARK (the "Declaration") is made on the date hereinafter set forth by **HALTIWANGER DEVELOPMENT, LLC**, a South Carolina limited liability company having an office in Greenville County, South Carolina (hereinafter referred to as "Declarant,"), with the consent of the owner(s) of individual Lots set forth herein (the "Owners").

WITNESSETH:

Declarant is the owner of the real property described on Exhibit "A" which is attached and incorporated by reference. This Declaration imposes upon the Properties mutually beneficial restrictions under a general plan of improvement for the benefit of the owners of each portion of the Properties and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the Properties. from time to time, which plan includes the property described on Exhibit "A" that Declarant may from time to time anticipate subjecting to this Declaration. ARTICLE 2: PROPERTY RIGHTS

para

2.1 Owner's Easements Of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Unit, subject to the following provisions:

- (a) This Declaration and all other Governing Documents;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) the right of the Association to permit the use of and to charge reasonable admission and other fees for the use of the Common Area and to impose reasonable limits upon the number of guests who may use the Common Area;
- (d) the right of the Association to suspend the voting rights and right to use any Common Area by an Owner for any period during which any assessment against his Unit remains unpaid; and, for a period not to exceed sixty (60) days, for any infraction of its published rules and regulations;
- (e) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members;

(f) the right of the Association to rent, lease or reserve any portion of the Common Area to any Owner or Occupant for the exclusive use of such Owner or Occupant and their respective employees, lessees, clients, customers, and guests upon such conditions as may be established by the Board;

(g) the right of the Board to allow persons other than Owners, Occupants and their respective employees, lessees, invitees, customers and guests to use any facilities situated upon the Common Area upon such conditions as may be established by the Board;

(h) the right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Area and facilities thereon;

(i) the right of the Association to exchange portions of Common Area with the Declarant for substantially equal areas of the properties for the purpose of eliminating unintentional encroachments of improvements onto portions of the Common Areas;

(j) the right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;

(k) the right of the Declarant to conduct activities and establish facilities within the Properties as provided in Article 14.

2.2 Delegation Of Use. Any Owner may delegate, in accordance with the By-Laws, his rights of enjoyment of the Common Area to the members of his family, his tenants or contract purchasers who reside on the Unit of such Owner.

2.3 Leases Of Units. Any Lease Agreement between an Owner and a lessee for the lease of such Owner's residence on its Unit shall provide that the terms of the Lease shall be subject in all respects to the provisions of this Declaration of Covenants, Conditions and Restrictions, the Articles of Incorporation and By-Laws of the Association and that any failure by the lessee to comply with the terms of such document shall be a default under the terms of the Lease. All Leases of Units shall be in writing. Other than the foregoing there is no restriction on the right of any Owner to lease his Unit.

2.4 No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Article shall not prohibit the Board from acquiring and disposing of other real property which may or may not be subject to this Declaration.

2.5 Condemnation. The Association shall be the sole representative with respect to condemnation proceedings concerning Common Area and shall act as attorney-in-fact for all Owners in such matters. If any part of the Common Area shall be taken by any authority having the power of condemnation or eminent domain or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, the written consent of the Declarant, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement or any condemnation award or proceeds of such conveyance. The award made for such taking or proceeds of such conveyance shall be payable to the Declarant so long as the Declarant is funding the Association.

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within sixty (60) Days after such taking the Members holding at least sixty-seven percent (67%) of the total Class "A" vote of the Association and, during the Development Period, the Declarant, shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board and the ARB. The provisions of Section 6.1(b) regarding funds for the repair of damage or destruction shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds may be used by the Association for such purposes as the Board shall determine.

ARTICLE 3: MEMBERSHIP AND VOTING RIGHTS

3.1 Membership. Every Owner shall be a Member of the Association. There shall be only one (1) membership per Unit. If a Unit is owned by more than one (1) person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Sections 3.2 and in the By-Laws. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, member, partner or trustee of such Owner, or by any individual designated from time to time by the Owner in a written instrument provided to the secretary of the Association.

3.2 Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one vote per Unit in which they hold the interest required for membership under Section 3.1.

If there is more than one (1) Owner of a Unit, the votes for such Unit shall be exercised as the co-Owners determine among themselves and advise the secretary of the Association in writing prior to the vote being taken. Absent such advice, the Unit's vote shall be suspended if more than one (1) person seeks to exercise it. No vote shall be exercised on behalf of any Unit if any assessment for such Unit is delinquent. In addition, no vote shall be exercised for any property which is exempt from assessments under Section 8.9.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Declaration, the By-Laws and the Articles, are specified in the relevant sections of this Declaration, the By-Laws and the Articles. The Class "B" Member may appoint the members of the Board of Directors until termination of the Development Period. Upon termination of the Development Period, the Class "B" membership shall expire, and the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Unit which it owns.

ARTICLE 4: RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1 Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility and all Improvements thereon. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board may adopt pursuant to Article 11. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of South Carolina.

4.2 Personal Property and Real Property for Common Use. The Association may acquire, hold, and dispose of tangible and intangible personal property and real property. The Declarant and its designees, with the Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements or repairs whatsoever to property to be conveyed and accepted pursuant to this Section. Upon written request and approval by the Declarant, the Association shall reconvey to Declarant any portions of the Properties originally conveyed by Declarant to the Association for its consideration.

4.3 Enforcement. The Board or any committee established by the Board including the Association Advisory Board, if any, with the Board's approval, may impose sanctions for violation of the Governing Documents' after compliance with the notice and hearing procedures set forth in the By-Laws. Such sanctions may include, without limitation:

(a) imposing monetary fines which shall constitute a lien upon the Unit of the violator. In the event that any occupant, employee, lessee, invitee, client, customer or guest of a Unit violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the Occupant; provided, however, if the fine is not paid by the Occupant within the time period set by the Board, the Owner shall be notified by the Board and be responsible for paying said fines.

(b) filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;

(c) suspending an Owner's right to vote;

(d) suspending any person's right to use any facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Unit; and

(e) suspending any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than thirty (30) Days delinquent in paying any assessment or other charge owed to the Association.

In the event that any Occupant, employee, lessee, invitee, client, customer or guest of a Unit violates the Governing Documents, the Board or any committee established by the Board,

with the Board's approval, may sanction the Occupant and/or the Owner of such Unit.

In addition, the Board may elect to enforce any provision of the Governing Documents by exercising self-help (specifically including, but not limited to, the filing of liens in the Public Records for non-payment of assessments and other charges, the towing of vehicles that are in violation of parking rules, or the correction of any maintenance, construction or other violation of the Governing Documents) without the necessity of compliance with the procedures set forth in the By-Laws.

The Association may also elect to enforce any provisions of the Governing Documents by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in the By-Laws.

All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action or remedy taken by the Association to enforce the provisions of the Governing Documents, if the Association prevails it shall be entitled to recover all costs, including, without limitation, reasonable attorneys' fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right of the Association to enforce such provision under any circumstances or prevent the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal ordinances, if applicable, and permit local and other governments to enforce ordinances on the Properties for the benefit of the Association and its Members.

4.4 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, the Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5 Governmental Interests. During the Development Period, the Declarant may designate sites within the Properties for public or quasi-public facilities. No membership approval shall be required for such designation. The sites may include Common Area, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by the Declarant. The sites may include other property not owned by Declarant provided the owner of such property consents.

4.6 Indemnification. The Association shall indemnify every officer, director, ARB members and committee member against all damages, liabilities and expenses, including reasonable attorney fees, incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, ARB member or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles of Incorporation, and South

Carolina law.

The officers, directors, ARB members and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers, directors, ARB members, and committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers, directors, ARB members or committee members may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARB member and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, ARB member or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officer's and director's liability insurance to fund this obligation, if such insurance is reasonably available.

4.7 Dedication of or Grant of Easements on Common Areas. The Association, or during the Development Period, the Declarant, may dedicate or grant easements across portions of the Common Area to Greenville County, South Carolina, or to any other local, state, or federal governmental or quasi-governmental entity or utility.

4.8 Security. Each Owner and Occupant of a Unit, and their respective employees, lessees, invitees, clients, customers and guests, shall be responsible for their own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any security system or measure cannot be compromised or circumvented, nor that any such security system or measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Unit that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each person using the Properties assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties. Any costs incurred by the Association to provide such services shall be paid by the Association and shall be charged to all Units, as a General Assessment or a Special Assessment, as determined by the Board in its sole discretion.

4.9 Future Development. Each Owner acknowledges, understands and covenants to inform its lessees and all occupants of its Unit that the Properties and areas adjacent to the Properties are subject to further development and expansion, and therefore there may be certain inconveniences during any period of construction, and Owner waives all claims with respect thereto. Owner agrees that if Owner or Owner's employees, lessees, invitees, clients, customers, guests, contractors or agents enter onto any area of construction, they do so at their own risk, and neither the Declarant, the Association, nor their respective contractors, agents, or employees shall be liable for any damage, loss or injury to such persons.

ARTICLE 5: MAINTENANCE

5.1 Association's Responsibility.

(a) The Association shall maintain and keep in good condition, order and repair the Area of Common Responsibility, which may include, but need not be limited to:

- (i) all Common Areas;
- (ii) all landscaping and other flora, open spaces, parks, structures and Improvements, including infrastructure within the common areas, private water mains and private storm drain lines, and sidewalks situated upon the Common Area;
- (iii) all furnishings, equipment and other personal property of the Association;
- (iv) all storm water management facilities and retention basins serving the Properties (if not maintained by a governmental agency or located on or within a Unit);
- (v) all medians or squares of the roadways within or adjacent to the Properties to the extent that the Board determines that such maintenance is necessary or desirable;
- (vi) all entry signs and features serving the Properties, constructed by or on behalf of the Declarant;
- (vii) all signage within or adjacent to public rights-of-way within or adjacent to the Properties which the Board, in its sole discretion, deems appropriate, except that signage maintained by Richland County; and
- (ix) such additional portions of any property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association.

The Association may, as a Common Expense, maintain other property and Improvements which it does not own, including, without limitation, property dedicated to the public, or provide maintenance or services related to such property over and above the level being provided by the property owner, if the Board of Directors determines that such maintenance is necessary or desirable.

(b) The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board.

(c) The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that such property is dedicated to any local, state, or federal government or quasi-governmental entity; provided, however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable.

Except as provided above and with the written consent of the Declarant, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means during the Development Period.

(d) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other persons responsible for, certain portions of the Area of Common Responsibility pursuant to the Governing Documents, any recorded covenants, or any agreements with the owner(s) thereof.

(e) In the event that the Association fails to properly perform its maintenance responsibilities hereunder and to comply with the Community-Wide Standard, the Declarant may, upon not less than ten (10) Days' notice and opportunity to cure such failure, cause such maintenance to be performed and in such event, shall be entitled to reimbursement from the Association for all costs incurred.

5.2 Owner's Responsibilities. Each Owner shall maintain its Unit, and all Improvements located thereon, including without limitation, all structures, parking areas, irrigation systems, drainage facilities, landscaping, setback areas and other Improvements located in rights-of-way adjacent to the Owner's Unit in a manner consistent with all Governing Documents, unless such maintenance responsibility is otherwise assumed by or assigned to the Association. Such maintenance includes but is not limited to the following:

- (a) Removal of all litter, trash, refuse and waste at least once a week and keeping the trash pick-up, service and loading areas in a neat condition;
- (b) Lawn mowing on a regular basis;
- (c) Tree and shrub pruning;
- (d) Keeping exterior lighting, signage, fixtures, and mechanical facilities in working order;
- (e) Keeping plant materials within lawn and garden areas alive, and any adjoining rights-of-way or drainage ditches attractive and free of trash and debris;
- (f) Promptly removing and replacing any dead plant material;
- (g) Keeping parking areas and driveways in good repair;
- (h) Repair of exterior damage to Improvements and keeping exterior Improvements in good repair.

Every Owner shall also be responsible for the security and safety of its Unit notwithstanding any security systems or measures which may be provided by the Association.

In addition to any other enforcement rights, if an Owner fails properly to perform its maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Unit and the Owner in accordance with Section 8.1.

5.3 Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with all Governing Documents. Neither the Association nor any Owner shall be liable for any damage or injury occurring on, or arising out of the condition of, property which such person does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

ARTICLE 6: INSURANCE AND CASUALTY LOSSES

6.1 Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available. The types of insurance in effect may or may not include the following:

- (i) Blanket property insurance for all insurable Improvements within the Area of Common Responsibility;
- (ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members;
- (iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;
- (iv) Directors and officers liability coverage;
- (v) Fidelity insurance covering all persons responsible for handling Association funds; and
- (vi) Such additional insurance as the Board, in its best business judgment, determines advisable or is required by law.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the General Assessment. In the event of an insured loss, the deductible shall be treated as a Common Expense and assessed in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one (1) or more Owners, their employees, lessees, invitees, clients, customers or guests, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Units.

(b) Damage and Destruction. In the event of any insured loss, only the Board or its duly authorized agent may file and adjust insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this subsection, means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or Improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Area shall be repaired or reconstructed unless the Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association, and during the Development Period the Declarant, decide within sixty (60) Days after the loss not to repair or reconstruct.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such sixty (60) Day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed sixty (60) additional Days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative Improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1(a).

6.2 Owner' Insurance. By virtue of taking title to a Unit, each Owner covenants and agrees with all other Owners and with the Association to carry liability and property insurance with limits of not less than full replacement cost of all insurable Improvements on its Unit, less a reasonable deductible.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising its Unit, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 9. Alternatively, the Owner shall clear the Unit of all debris and ruins and maintain the Unit in a neat and attractive, landscaped condition. The Owner shall pay all costs which are not covered by insurance proceeds.

ARTICLE 7: ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1 Annexation by Declarant. Until the end of the Development Period, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the Additional Property.

The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property being annexed. Such Supplemental Declaration shall not require the consent of Members, but shall require the consent of the owner of such property, if other than the Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the Additional Property in any manner whatsoever.

7.2 Annexation by Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members holding a Majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and, during the Development Period, the written consent of the Declarant.

7.3 Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association. Such additional covenants and easements shall be set forth in a Supplemental Declaration, filed either concurrently with or after the annexation of the subject property, and shall require the written consent of the owner(s) of the property affected by such additional covenants and easements, if other than the Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

7.4 Amendment. This Article shall not be amended during the Development Period without the prior written consent of Declarant.

ARTICLE 8: ASSESSMENTS

8.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of Properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of storm drain lines, water and sewer mains in and upon the Common Area; the maintenance of open spaces which have not been accepted for dedication by a public authority, roadway medians (including medians and islands located in dedicated rights-of way) and entranceways, drives and parking areas within the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws; the maintenance of retention areas or other bodies of water located within the Common Area; the maintenance of any "sign easement" areas located on any Unit, as shown on a recorded plat; the maintenance of entranceways, landscaping and lighting of Common Area; the maintenance of cul-de-sac islands; the lighting of streets (whether public or private); the payment of charges for garbage

collection and municipal water and sewer services furnished to the Common Area; the costs associated with duties of the Architectural Review Board; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

(b) The Association may establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund, if any, is to be established out of regular assessments for common expense. During the Development Period, the Declarant may but is not obligated to fund any reserve fund.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Unit. When an Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Unit, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

8.2 Maximum Annual Assessment. Until December 31, 2006, the maximum annual assessment shall be Four Hundred Twenty-Five and No/100ths (\$425.00) Dollars per Unit, and may be collected annually at the discretion of the Board.

(a) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Unit to an Owner is made and for each calendar year thereafter shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the membership by an amount not to exceed fifteen percent (15%) of the maximum annual assessment of the previous year.

(b) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Unit to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of 67% of the Class "A" Members who are voting in person or by proxy, at a meeting duly called for this purpose and with final approval by the Class "B" Member.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 8.5 of this Article.

8.3 Special Assessments For Capital Improvements. So long as the total amount of special assessments allocable to each Unit does not exceed \$500.00 in any one fiscal year, the

Board may impose the special assessment. All special assessments which exceed the \$500.00 limitation shall be effective only if such assessment shall have the assent of 67% of Owners entitled to vote who are voting in person or by proxy at a meeting duly called for this purpose. All special easements shall be fixed at a uniform rate for all Units and may be collected on a monthly or annual basis as determined by the Board and may be payable in installments.

8.4 Notice and Quorum For Any Action Authorized Under Article 8, Sections 2 and 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 2 or 3 of this Article 8 shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

8.5 Rate of Annual Assessment. Both annual and special assessments must be fixed at a uniform rate for all Units and may be collected on an annual basis or as otherwise determined by the Board in its discretion.

8.6 Date and Commencement of Annual Assessments Due. The annual assessments provided for herein shall commence as to a Unit on the date on which the Unit is conveyed to a person other than the Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment and promptly thereafter the Board of Directors shall cause written notice thereof to be sent to every Owner subject thereto. In the event the Board of Directors shall fail to fix the amount of annual assessments as described above, the assessment fixed for the immediately preceding year shall continue in effect until a new assessment amount is fixed. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Unit have been paid.

8.7 Lien for Assessments. The Association shall have a lien against each Unit to secure payment of assessments and other charges, as well as interest at a rate to be set by the Board (subject to the maximum interest rate limitations of South Carolina law), late charges in such amount as the Board may establish (subject to the limitations of South Carolina law), costs of collection and reasonable attorneys fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of recording (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Unit who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment

under this Section 8.7, including such acquirer, its successors and assigns.

All other persons acquiring liens or encumbrances on any Unit after this Declaration has been recorded shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

8.8 Effect of Default in Payment of Ad Valorem Taxes or Assessments for Public Improvements by Association. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each Owner of a Unit in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Units in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Unit of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Unit of the Owner.

8.9 Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of South Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

8.10 Payment of Assessments by Declarant. Notwithstanding anything provided in this Declaration to the contrary, neither the Declarant (as a Member of the Association or as the Owner of any Unit) nor any Declarant-related entity shall be responsible for the payment of any assessments with respect to any Units owned by Declarant or such Declarant-related entity unless the same have been improved by the erection of Improvements thereon and in which event Declarant shall pay assessments in the manner set forth in this Article 8.

ARTICLE 9: ARCHITECTURAL STANDARDS

9.1 General. No Improvements shall be placed, erected, installed, constructed or altered upon any Unit except in compliance with this Article and with the prior written approval of the appropriate reviewing body under Section 9.2, in accordance with the application and approval requirements pursuant to Section 9.3.

All Improvements constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a person licensed in the State of South Carolina to practice architecture, engineering, building construction, or landscape architecture, or other work consistent with the intended construction in accordance with applicable laws, rules and regulations, unless otherwise acceptable to the Architectural Review Board, in its sole discretion. All plans and specifications shall be subject to review as provided herein.

9.2 Architectural Review. Responsibility for review of all applications for use, construction and modifications under this Article shall be handled by the reviewing bodies described below, the members of which need not be Members of the Association or

representatives of Members:

(a) Architectural Review Board. The ARB shall have exclusive jurisdiction over all construction on any portion of the Properties. Until one hundred percent (100%) of the Units have been developed and conveyed to Owners other than the Declarant and initial construction on each Unit has been completed in accordance with all approved plans, the Declarant retains the right to appoint all member(s) of the ARB who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument executed by Declarant. Upon the expiration or surrender of such right, the Board shall appoint the members of the ARB, who shall thereafter serve and may be removed in the Board's discretion.

9.3 Guidelines and Procedures.

(a) Design Guidelines. The Declarant may, but shall not be required to, prepare and amend from time to time design and construction guidelines and application and review procedures for the Properties ("Design Guidelines"). Any Design Guidelines may contain general provisions applicable to all of the Properties. Any Design Guidelines will be intended to provide guidance to Owners regarding matters of particular concern to the reviewing bodies in considering applications hereunder, but shall not be the exclusive basis for decisions of the reviewing bodies.

(b) Procedures. No activities within the scope of Section 9.1 shall commence on any Unit until an application for approval of the proposed work has been submitted to and approved by the ARB, as appropriate, and the specific use for such unit has been approved by the Declarant in accordance with Article 9. Either committee may require the submission of application forms and information as it deems necessary to consider any application and may require multiple stages of application and review for any use, construction or modification.

In the event that the ARB fails to approve or to disapprove in writing any stage of an application within thirty (30) Days after submission of all information and materials reasonably requested, the application shall be deemed approved unless an extension of such time period is agreed to by the reviewing body and the applicant.

Notwithstanding the above, the ARB by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

(c) Basis of Approval. In reviewing each submission, the reviewing body may consider (but shall not be limited to consideration of) the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, setbacks and finish grade elevation, among other things. Decisions of the reviewing bodies may be based solely on aesthetic considerations and shall be made by a Majority vote of all members of the reviewing body. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary as members of the reviewing bodies change over time.

Review of the plans shall be based on general adequacy of site dimensions, conformity and harmony of the exterior design, location with neighboring structures and sites, relation of finished grades and elevations to neighboring sites, and conformity to both the specific and general restrictions and covenants set forth herein, and in any Design Guidelines. The reviewing body shall have the right to disapprove any submitted plans of any Unit if such plans

are not in conformity with the provisions of this Declaration or any Design Guidelines, or if the reviewing body, acting pursuant to Article 9 hereof, in its discretion (which shall be exercised in a reasonable manner) determines that such plans are not in the best interest of the contemplated development of the Properties as described by this Declaration.

(d) Commencement and Completion. All work shall be commenced and completed within such period as provided in the notice of approval; provided, however, all work shall be completed within one (1) year after commencement of construction. The reviewing body may in its sole discretion grant an extension if commencement or completion is delayed due to causes beyond the reasonable control of the Owner. In the event construction of the work called for by the approved plans has not substantially commenced within the period set forth in the notice of approval, then the approval shall be deemed expired and no construction shall thereafter commence unless a written renewal is granted by the reviewing body.

9.4 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.5 Variance. The ARB may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effected unless in writing; (b) be contrary to this Declaration; or (c) prevent the ARB from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing may not be considered a hardship warranting a variance as determined in the sole discretion of the reviewing body.

9.6 Limitation of Liability. The standards and procedures established pursuant to this Article are intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Properties only, and shall not create any duty to any person. Neither the Declarant, the Association, the Board, nor the ARB shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all Improvements are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners. Neither the Declarant, the Association, the Board, the ARB, nor any committee, or member of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Unit. In all matters, the Declarant, the Board, the ARB, and their members shall be defended and indemnified by the Association as provided in Section 4.6.

9.7 Enforcement. The Declarant, any member of the ARB, Board, or the representatives of each, shall have the right, during reasonable hours and after reasonable notice, to enter upon any Unit to inspect for the purpose of ascertaining whether any Improvement is in violation of this Article. Any Improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the ARB, Owners shall, as their own cost and expense, remove such structure or Improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should

an Owner fail to remove and restore the property as required, any authorized agent of Declarant, the ARB, or the Board shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. Entry for such purposes and in compliance with the Section shall not constitute a trespass. In addition, the Board may enforce the decisions of the Declarant or the ARB by any means of enforcement described in Section 4.3. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Unit.

Unless otherwise specified in writing by the committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Unit, unless approval to modify any application has been obtained. If any person fails to commence and diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Unit and an opportunity to be heard in accordance with the By-Laws, to enter upon the Unit and remove or complete any incomplete work and to assess all costs incurred against the Unit and the Owner thereof.

Neither the ARB, nor any member of the foregoing, nor the Association, the Declarant, or their members, officers or directors shall be held liable to any person for exercising the rights granted by this Article. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article may be excluded by the ARB from the Properties, subject to the notice and hearing procedures contained in the By-Laws.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARB.

ARTICLE 10: EXTERIOR MAINTENANCE

10.1 The Association shall maintain the Common Area. Each Owner shall be responsible for the exterior maintenance of his or her dwelling and Unit, as follows: painting, replacement and care of roofs, gutters, downspouts, exterior building surfaces, lawn, trees, shrubs, driveways, walks and other exterior improvements. In the event that the Owner neglects or fails to maintain his or her Unit and/or the exterior of his or her dwelling in a manner consistent with other Units and dwellings in Chelsea Park, the Association may provide such exterior maintenance as provided above with the Owner remaining solely responsible for paying the costs of such exterior maintenance; provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself or herself. All costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit of such Owner. The determination as to whether an Owner has neglected or failed to maintain his or her Unit and/or dwelling in a manner consistent with other Units and dwellings in Chelsea Park shall be made by the Board of Directors of the Association, in its sole discretion. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Unit at all reasonable times to perform maintenance as provided in this Article.

In the event that the Association determines that the need for maintenance, repair, or

replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner or the family, guests, lessees, or invitees of any Owner, and is not covered and paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit of such Owner.

ARTICLE 11: USE RESTRICTIONS

11.1 Residential Use of Property. All Units shall be used for single-family, residential purposes only, and no business or business activity shall be carried on or upon any Unit at any time, except with the written approval of the ARB; provided, however, that nothing herein shall prevent Declarant or any builder of homes in Chelsea Park approved by Declarant from using any Unit owned by Declarant or such builder of homes for the purpose of carrying on business related to the development, improvement and sale of property in Chelsea Park; and provided, further that, to the extent allowed by applicable zoning laws, private offices may be maintained in dwellings located on any of the Units so long as such use is incidental to the primary residential use of the dwellings.

11.2 Setbacks and Building Lines. Each dwelling which shall be erected on any Unit shall be situated on such Unit in accordance with the Zoning Ordinance and the Design Guidelines indicated for each Unit and approved in writing by the ARB. Approval shall be received before commencement of lot clearing preparatory to construction unless either a variance shall have been granted by the ARB or Declarant shall have amended the Plat. In no event shall any dwelling be erected and located upon any such Unit in a manner which violates the requirements and provisions of any applicable zoning ordinances and subdivision regulations.

11.3 Walls and Fences. No fence or wall shall be erected except with prior written ARB approval.

11.4 Subdivision. Subdivision of a Unit into two (2) or more Units, the combination of two (2) or more Units to form one single building Unit, or changing the boundary lines of any Unit after the Plat has been approved and filed in the Public Records is prohibited, except with the consent of the Declarant during the Development Period.

11.5 Terraces, Eaves and Detached Garages. For the purpose of determining compliance or noncompliance with the foregoing building line requirements, terraces, stoops, eaves, wing-walls, and steps extending beyond the outside wall of a structure shall not be considered as a part of the structure. No side yard shall be required for any detached garage or accessory outbuilding which has been approved, in writing, by the ARB; provided, all such detached structures must be to the rear of the main dwelling, must not encroach upon the Unit of an adjacent Owner, and must be in compliance with any local governmental codes.

11.6 Building Requirements. The total living areas of the main structure, exclusive of open porches, garages, carports and breezeways, shall be not less than 1,500 heated square feet. Declarant reserves the right to increase or decrease the foregoing minimum square footage requirement with respect to all or a portion of the additional land annexed to the Properties in accordance with Article 7 by recording an instrument which sets forth the increased or decreased minimum square footage requirement in the ROD Office, Richland County, prior to or contemporaneous with the annexation of such additional land or portion thereof by Declarant.

11.7 Obstructions to View at Intersections. No part of any structure or the lower branches of trees or other vegetation shall be permitted to obstruct the view at street intersections.

11.8 Delivery Receptacles and Property Identification Markers. The ARB shall have the right to approve the location, color, size, design, lettering and all other particulars of receptacles for the receipt of mail, newspapers or similarly delivered materials, and of name signs for such receptacles, as well as property identification markers.

11.9 Temporary Structures. No structure of temporary nature (unless approved in writing by the ARB) shall be erected or allowed to remain on any Unit. No trailer, camper, shack, tent, barn or other structure of a similar nature shall be used as a residence, either temporarily or permanently; provided, this Section shall not be construed to prevent the Declarant and those engaged in construction from using sheds or other temporary structures during construction.

11.10 Completion of Construction. The Association shall have the right to take appropriate legal action, whether at law or in equity, to compel the immediate completion of any residence not completed within one (1) year from the date of commencement of construction.

11.11 Livestock and Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Unit, except that dogs, cats or other small household pets may be kept provided that they are not kept, bred, or maintained for any commercial purposes. Such household pets must not constitute a nuisance or cause unsanitary conditions. No structure for the care, housing, or confinement of any pet shall be constructed or maintained on any part of the Common Areas. Pets shall be under leash at all times when walked or exercised in any portion of the Common Areas. No pet shall be permitted to leave its excrement on any portion of the Common Areas, and the Owner of such pet shall immediately remove the same. Upon the written request of any Owner, the Board may conclusively determine, in its sole and absolute discretion, whether, for purposes of this Section 11, a particular pet is a generally recognized house pet or such pet is a nuisance, and the Board shall have the right to require the owner of a particular pet to remove such pet from the Development if such pet is found to be a nuisance or to be in violation of these restrictions. The Board shall have the further right, subject to Section 11 hereof, to fine any Owner (in an amount not to exceed \$50.00 per violation) for the violation of these pet restrictions by such Owner or an occupant of his Unit, and an Owner shall be liable to the Association for the cost of repair of any damage to the Common Areas caused by the pet of such Owner or of an occupant of such Owner's Unit. Any such fine or cost of repair shall be added to and become a part of that portion of any assessment next coming due to which such Unit or Dwelling and its Owner are subject. Nothing herein contained shall interfere with any provisions under the Americans with Disability Act or any similar state or local law, ordinance or regulation.

11.12 Obnoxious or Offensive Activities. The Association shall have the power and authority to grant and establish upon, over and across the Common Area such additional easements as are necessary or desirable for the providing of service or utilities to the Common Area or Units.

ARTICLE 13: MORTGAGEE PROVISIONS

13.2 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

13.3 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response form the Mortgagee within thirty (30) Days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

ARTICLE 14: DECLARANT'S RIGHTS

14.1 Transfer or Assignment. Any or all of the special rights and obligations of the Declarant set forth in the Governing Documents may be transferred or assigned in whole or in part to the Association or to other persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the By-Laws. Upon any such transfer, the Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Public Records.

14.2 Development and Sales. The Declarant and others authorized by Declarant may maintain and carry on the Properties such activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Units, such as sales activities, tournaments, charitable events, and promotional events, and restrict Members from using the Common Area during such activities. Such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with Members' use and enjoyment of the Common Area. In the event that any such activity necessitates exclusion of Owners from Common Areas, such activities shall not exceed seven (7) consecutive Days. The Declarant and others authorized by

the Declarant shall have easements over the Properties for access, ingress and conducting such activities.

In addition, the Declarant and others authorized by Declarant may establish within the Properties such facilities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Units, including but not limited to, business offices, signs, model units, tents, sales offices, sales centers and related parking facilities. During the Development Period, Owners may be excluded from use of all or a portion of such facilities in the Declarant's sole discretion. The Declarant and others authorized by the Declarant shall have easements over the Properties for access, ingress, and egress and use of such facilities.

Declarant may permit the use of any facilities situated on the Common Area by persons other than Owners without the payment of any use fees.

14.3 Improvements to Common Areas. The Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such Improvements to the Common Area as it deems appropriate in its sole discretion.

14.4 Additional Covenants. No person shall record any declaration of covenants, conditions and restrictions, declaration of condominiums, easements, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records. No such instrument recorded by any person, other than the Declarant pursuant to Section 7.4, may conflict with the Declaration, By-Laws or Articles.

14.5 Limitations in Use. During the Development Period, the Declarant, acting in its sole and absolute discretion, retains the right but not the obligation to limit the use of any portion of the Properties, including any one Unit or group of Units, to one or more, but less than all, of the permitted uses under the Zoning Ordinance.

The limitations on use imposed by the Declarant may not be changed without the written consent of the Declarant during the Development Period. Thereafter, or at such time as the Declarant assigns it rights in this regard to the Association, any change in the limitations on use shall require the consent of the Board and the Owner(s) of the affected Unit or Units, and shall be set forth in a written instrument recorded in the Public Records. Declarant shall have the further right to establish such rules, regulations and procedures for initial and continuing review, approval and enforcement of the use or uses of and for all Units as provided in Article 11. Any change on the limitations of use of a Unit and the resulting change of the actual use of such Unit may impact the assessment and voting allocations for the affected Unit. The Board may, but shall not be obligated to, revise the Association's budgets to reflect such change and send the revised budgets to the Owners in accordance with Article 8.

14.6 Right of Class "B" Member to Disapprove Actions. So long as the Class "B" membership exists, the Class "B" Member shall have the right to disapprove any action, policy or program of the Association, the Board, and any committee which, in the sole judgment of the Class "B" Member, would tend to impair rights of the Declarant under the Governing Documents, or interfere with development of or construction on any portion of the Properties, or diminish the level of services being provided by the Association.

(a) The Class "B" Member shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board, or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address the Class "B" Member has registered with the secretary of the Association, which notice complies with the By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at such meeting. The Class "B" Member may waive its right to receive notice in the same manner as provided in the By-Laws.

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor or any prospective action, policy or program which would be subject to the right of disapproval set forth herein.

No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

The Class "B" Member, its representatives or agents may make its concerns, thoughts and suggestions known to the Board and/or the members of the subject committee. The Class "B" Member, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within ten (10) Days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) Days following receipt of written notice of the proposed action. No action, policy, or program shall be effective or implemented if the Class "B" Member exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

ARTICLE 15: GENERAL PROVISIONS

(a) Except as otherwise limited by South Carolina law, this Declaration shall have perpetual duration. If South Carolina law limits the period during which covenants may run with the land, then this Declaration shall automatically be extended at the expiration of the period for successive periods of twenty (20) years each. Notwithstanding the above, if any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until the year 2101 A.D.

Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

2.4. Notice of Meetings. It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of each Lot (as shown in the records of the Association) a notice of each annual or special meeting of the Association stating the time and place where it is to be held and in the notice of a special meeting, the purpose thereof. If an Owner wishes notice to be given at an address other than his or her Lot, the Owner shall designate such other address in writing to the Secretary. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than 10 nor more than 60 days before a meeting.

2.5. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Such written notice shall be delivered to the Secretary for inclusion in the Association's minutes. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five nor more than 30 days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.9. Quorum. The presence, in person or by proxy, of 25% of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. Any amendment to this Section shall comply with the provisions of Section 33-31-1023 of the South Carolina Nonprofit Corporation Act.

2.10. Action Without A Formal Meeting. Any action to be taken at a meeting of the members, or which may be taken at a meeting of the members, may be taken without a meeting if one or more written consents setting forth the action so taken shall be signed by members holding at least 80% of the Association's voting power. Action taken without a meeting shall be effective on the date that the last consent is executed, and consented to by the Declarant, if required, unless a later effective date is specified therein. Written notice of member approval pursuant to this Section must be given to all members who have not signed the written consent.

2.11. Action By Written Ballot. Any action to be taken at any annual, regular, or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. Approval by written ballot of an action shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely written ballot received by the Association may not be revoked without the consent of the Board. The results of each action by written ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the Association's permanent records.

3.2. Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board or any officer or officers of the Association until such time as the first of the following events shall occur: (a) seven years

All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.5. Election and Term of Office. Owner-elected directors shall be elected and hold office as follows:

(a) After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting to be held at which Owners shall elect three directors.

(b) Thereafter, directors shall be elected at the Association's annual meeting. All eligible members of the Association shall vote on all directors to be elected, and the candidate(s) receiving the most votes shall be elected.

At the special meeting in which the Owners initially elect directors, two directors shall be elected to two-year terms and one director shall be elected to a one-year term. At the expiration of the initial term of office of each respective Owner-elected director, a successor shall be elected to serve for a term of two years. The directors shall hold office until their respective successors shall have been elected by the Association.

3.6. Removal of Directors. At any regular or special meeting of the Association duly called, any one or more of the directors may be removed, with or without cause, by a majority of the Total Association Vote and a successor may then and there be elected to fill the vacancy thus created. A director whose removal has been proposed by the Owners shall be given at least ten days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting. Additionally, any director who has three consecutive unexcused absences from

Each person so selected shall serve the unexpired portion of the term.

B. Meetings.

3.8 Organizational Meetings. The first meeting of the Board following each annual membership meeting shall be held within 10 days thereafter at such time and place as shall be fixed by the Board.

3.9. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least annually. Notice of the regular schedule shall constitute sufficient notice of such meetings.

3.10. Special Meetings. Special meetings of the Board shall be held when requested by the President, Vice President, or by any two directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's home or office who would reasonably be expected to communicate such notice promptly to the director; (d) electronic message, fiber optic, or telecommunication to the director; or (e) by commercial delivery service to such director's home or office. All such notices shall be given or sent to the director's address, telephone number, or other place of delivery as shown on the Association's records. Notices sent by first class mail shall be deposited into a United States mailbox at least four days before the time set for the meeting. Notices given by personal delivery, telephone, or telecommunication shall be given at least 48 hours before the time set for the meeting.

3.11. Waiver of Notice. The transactions of any Board meeting, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. 3.12. Quorum of Board of Directors. At all Board meetings, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board. A meeting at which a quorum of directors is present initially may continue to transact business, notwithstanding the withdrawal of directors, if at least a majority of the required quorum for that meeting approves any action taken. If the Board cannot hold a meeting because a quorum is not present, a majority of the directors at such meeting may adjourn the meeting to a time not less than five or more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present the Board may transact, without further notice, any business which it might have transacted at the original meeting. Any amendments to this Section shall comply with the provisions of Section 33-31-1024 of the South Carolina Nonprofit Corporation Act.

3.13. Compensation. No director shall receive any compensation from the Association for acting as such.

3.14. Open Meetings. All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so authorized by the Board.

3.15. Executive Session. The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

3.16. Action Without A Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if one or more consents, in writing, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records.

3.17. Telephonic Participation. One or more directors may participate in and vote during any regular or special Board meeting by telephone conference call or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those directors so participating shall be present at such meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

C. Powers and Duties.

3.18. Powers. The Board shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the members.
