Dear Michael,

On behalf of the Simsbury Culture, Parks, and Recreation Department I would like to thank you for providing our clients with outstanding drama programs over the last six years. The programs are as popular as ever and I am excited about once again offering the Summer Acting Camp this year.

The programs delivered by Performing Arts Programs have been of the highest quality. I have found you and your staff to be extremely reliable and responsive to our needs. Every class has been professionally run and fostered an environment in which each participant has been placed in the best possible position to succeed. I have received nothing but positive feedback from parents and children who have been part of one of your classes.

As always it has been a pleasure working with you to provide Simsbury with an excellent youth drama program. I look forward to many more seasons of creative and fun programs for everyone.

Sincerely,

Tom Tyburski
Recreation Supervisor

TOWN OF ENFIELD

Dear Sir/Madam,

As a new client of the Michael Lamb and the "Performing Arts Programs", I am happy to refer them to join your organization and reach out to the children of your community.

For a number of years, the Enfield Recreation Department has not held a performing arts program, as the town had not voiced an interest for us to pursue such a program. Last fall it had been recommended to me by a colleague of another town, to consider the "Performing Arts Programs" as it has been very successful for them. Eager to provide the Town of Enfield with a new interest, I did in fact pursue the program. Although the voices of the town had previously been silent, the registration confirmed it was very much desired. Since the winter session was such a success I was happy to continue my partnership with Michael Lamb and the "Performing Arts Programs".

Not only did our registration prove to be a success, it was evident that the children truly enjoyed their experience. Each week the room was filled with energized children eager for class. During the final winter session class, there was an outstanding turnout of parents, grandparents and friends to watch the children express their excitement and knowledge learned.

Michael Lamb directs a wonderful program. The organization, structure, staff and program have been very professional and a delight to work with.

If you would like to further discuss the experiences I have had with Michael Lamb and the "Performing Arts Programs", please do not hesitate to get in contact with me.

Sincerely,

Amy Skrzyniarz

Dear Reader:

Letter of recommendation for Michael Lamb and Performing Arts Program

It is my pleasure to write this letter of recommendation for Michael Lamb and Performing Arts Program. For the last five seasons I have been the Director of Parks and Recreation for the Town of Canton. Michael Lamb and Performing Arts Programs has been a regular program offering for over seven years. In the time we have been associated with the program it has been very well received by the community. When I think of the program words like quality, dependability, energy, customer service come to mind.

Performing Arts programs are always of the highest quality. The program from Michael Lamb at the top to each and every one of his instructors is dependable, energetic and has the participant (customer) in mind. It amazes me that when walking around with Michael Lamb he seems to know more of the participants in our classes than I do, even if he is not the lead instructor. Administratively Michael Lamb is always on top of issues and is constantly in contact with department staff regarding registrations and evaluations of the programs.

I highly recommend Michael Lamb and the Performing Arts Program for your community or group. I'm confident that you will be as satisfied with the programs as we have been for over seven years. Please feel free to contact me at the above numbers if I can be of any further assistance.

Sincerely,

Dear Michael:

I want to express to you how grateful I am that we began offering Acting, Musical Theater and Magic Lessons classes to the Town of Suffield in the Fall of 1998. Due to the superb quality of these classes, attendance has increased and we are able to continue to provide these programs as well as others. Your various programs and instructors have provided a great opportunity for children to learn to express themselves, be creative and feel safe and confident.

It is always a pleasure to work with you as you are very professional and organized and take much pride in your work. As you know, I have the same work ethic and I believe this is why we work so well together. Your instructors are very knowledgeable and have a great rapport with the children.

I look forward to continuing to work with you in providing additional Performing Arts programs to our community.

Sincerely yours,

Dear Mr. Lamb,

I am writing to thank you for partnering with Granby Youth Services for these past four years. The program you provide has become a much-anticipated event for the youth in town. After running the first session it was clear we needed to have you back at least twice a year.

The comments I have received from parents have all be positive. The children respond well to your instructors. The success we have had with your programs has prompted our Parks and Recreation Department to offer your summer camp programs.

Thank you again for offering a quality program.

Sincerely,

Sandra Yost

Dear Michael Lamb:

The Farmington Parks and Recreation Department has been involved with the Performing Arts Programs since the fall of 1998. I am pleased to offer acting and musical theater classes for youth in grades 6 – 10. When I have visited the classes, I have noticed the smiles on the faces and have heard the laughs of the children and I know that they are enjoying their time spent in the program. The instructors develop a positive relationship with their students and provide a safe and enjoyable class environment. I do hope that we can continue to offer classes through the Performing Arts Programs.

Very truly yours,

Dear Michael:

Just a note of thanks for the fine job the Performing Arts Program provides our local youngsters! We have received nothing but praise from the parents of students of this Program. We have received numerous calls asking if this program will again be available in the fall.

This is an exciting program, which services a diverse group of children who have a great desire to act. This program also coincides with the formation of a local theatre group here in town. The directors of this group hope this program will allow children in the area to feel confident to audition for coming performances.

We look forward to another great year with your Program.

Sincerely,

Gail N. Therian
