AUDITION PREPARATION

Big audition/call-back coming up? From school, local, college prep to Broadway, make sure you are prepared! For you can choose to schedule coaching on as-needed basis to prepare for auditions and to supplement rehearsals. Coachings make it easier to work around a busy schedule that doesn't allow for a regular weekly lesson.

TALENT EVALUATION ASSESSMENT

Do you know what steps you should take to develop the skills needed to get to the next level?

Guidance about what steps to take in order to grow as a performer. Save time and resources by avoiding running in all wrong directions and receive a careful, affirming, and honest opinion about you or your child's talent. The includes a 10-minute pre-evaluation of singing and/or acting talent and skill assessment and a 10-minute wrap-up. A written talent evaluation/assessment will be emailed within a few days.

CAREER CONSULTATION

Receives guidance on you or your child's performing arts career

Ongoing advice, opinions, and suggestions about you or your child's creative development and the steps that should be taken to further one's talent. this is ideal if you or your child additions locally, regionally, and nationally. Guidance in performing arts talent development for both amateur or professional child or adult.
