Dear Michael,

On behalf of the Simsbury Culture, Parks, and Recreation Department I would like to thank you for providing our clients with outstanding drama programs over the last six years. The programs are as popular as ever and I am excited about once again offering the Summer Acting Camp this year.

The programs delivered by Performing Arts Programs have been of the highest quality. I have found you and your staff to be extremely reliable and responsive to our needs. Every class has been professionally run and fostered an environment in which each participant has been placed in the best possible position to succeed. I have received nothing but positive feedback from parents and children who have been part of one of your classes.

As always it has been a pleasure working with you to provide Simsbury with an excellent youth drama program. I look forward to many more seasons of creative and fun programs for everyone.

Sincerely,

TOWN OF ENFIELD

March 10, 2005

Dear Sir/Madam,

As a new client of the Michael Lamb and the "Performing Arts Programs", I am happy to refer them to join your organization and reach out to the children of your community.

For a number of years, the Enfield Recreation Department has not held a performing arts program, as the town had not voiced an interest for us to pursue such a program. Last fall it had been recommended to me by a colleague of another town, to consider the "Performing Arts Programs" as it has been very successful for them. Eager to provide the Town of Enfield with a new interest, I did in fact pursue the program. Although the voices of the town had previously been silent, the registration confirmed it was very much desired. Since the winter session was such a success I was happy to continue my partnership with Michael Lamb and the "Performing Arts Programs".

Not only did our registration prove to be a success, it was evident that the children truly enjoyed their experience. Each week the room was filled with energized children eager for class. During the final winter session class, there was an outstanding turnout of parents, grandparents and friends to watch the children express their excitement and knowledge learned.

Michael Lamb directs a wonderful program. The organization, structure, staff and program have been very professional and a delight to work with.

If you would like to further discuss the experiences I have had with Michael Lamb and the "Performing Arts Programs", please do not hesitate to get in contact with me.

Sincerely,

Amy Skrzyniarz
