Fascism is Real in Canada.

Adam Skelly appeared in court via video link on Friday and was released after his wife posted \$50,000 bail. Under the conditions of his bail, Skelly must stay 200 metres away from Adamson Barbecue, as well as his two other businesses; He is not to operate a business except in accordance with the Reopening Ontario Act; He must obey the Health Protection Act, as well as all lawful orders by Ontario's Chief Public Health Officer and the Regional Public Health Officer. As well, he must not communicate on social media.

He can't go to his property

He can't operate his businesses

He has to follow the lockdown order to the tee

He can't speak on social media.. or he goes back to jail.

WTF is this North Korea?!??? Seriously he could have gotten caught carrying a gun while selling a kilo of cocaine and been out with less restrictions.

The 1,126,940 votes were created out of thin air. I won Pennsylvania by a lot, perhaps more than anyone will ever know. The Pennsylvania votes were RIGGED. All other swing states also. The world is watching!
