Someone once told me,
"Only those who care
about you can hear you
when you're quiet."

This is how the Nazis took over Germany

- They banned Guns.
- They got rid of God.
- Banned church services.
- Burned bibles and books in the streets.
- Tore down statues.
- Burned the flag.
- Got rid of any and all history they did not agree with.
- Got rid of the public police so only the rich could afford it.
- Put their country in a state of fear.
- Created domestic terrorist organizations that got rid of anything and anyone that disagreed with the "brown shirts" AKA Hitlers bully boys.
