

Mememes

Show me a man that
gets rich by being a
politician and I'll
show you a crook.

HARRY S. TRUMAN

Memes

They decided to give away the patent for free because they wanted insulin to be **available to diabetics at no charge.**

When Banting and Best turned over the patent for production, they agreed to receive **only \$1 each in compensation.**

Since then, drug companies monopolized the insulin market and now charge diabetics \$500 per month to survive.

**THIS ISN'T HEALTHCARE,
THIS IS EXTORTION.**
