I guess they leave this chapter out in today's college campuses 🐰 •

Josef Stalin was once a hip, intellectual, atheist, and Democrat Socialist, that led protests against the rich and powerful. Rose to power, promising equality, then took over private industry, leading to mass poverty and famine. Killed 20 million of his own people.

FLUORIDE

**SO CORROSIVE THAT SPECIAL EQUIPMENT IS
REQUIRED TO STORE IT. IT EATS HOLES IN
CONCRETE, DISSOLVES METAL AND HUMAN FLESH
BUT IT'S OK TO ADD TO OUR DRINKING WATER?**
