

Old Farts

Sometimes you
have to admit
it's time to retire!!

LADY'S YEARLY EXAM

I went to the doctor for my yearly physical.
The nurse started with certain basics.

"How much do you weigh?" she asked.

"135," I said.

The nurse put me on the scale.

It turns out my weight is 180.

The nurse asked, "Your height?"

"5 foot 4," I said.

The nurse checked and saw that I only measure 5' 2"

She then took my blood pressure and told me that it is very high.

"Of course it's high!" I screamed, "When I came in here I was tall and slender! Now I'm short and fat!"

She put me on Prozac.

What a bitch
