Rep. Swalwell, do you know how many times the  
word “man” is mentioned in the Constitution?

**Zero.**

For the record: Betsy Ross was a Quaker.  
Quakers were abolitionists.  
Quakers helped ban slavery in England.  
Quakers were vital to the American  
underground Railroad to free slaves.  
Objecting to the Betsy Ross flag, because  
they say it represents slavery, shows their  
complete and utter ignorance of the truth

**1. We are advised to not judge ALL Muslims by the actions of a few lunatics, But we are encouraged to judge All Gun Owners by the actions of a few lunatics. Funny how that works.**

**And here is another one worth considering.**

**2. Seems we constantly hear about how Social Security is going to run out of Money. How come we never hear about Welfare running out of money? What's Interesting is the first group "worked for" their money, but the second didn't.**
